He has indeed been mainly instrumental in
averting from two kindred nations all the
horrors of war—a war which if it had come,
would in its progress have been dreadful and
terrible—a war with our brethren speaking

Saviour, and looking back with honest pride

whom the civil and religious liberties of man-

under Providence, we are indebted for the
averting of those dreadful calamities, and un-

ARRIVAL OF THE STEAM SHIP COLUMBIA.

The Royal Mail Steamship Columbia, ar-
rived at Halifax, bringing London papers to
the 3rd and Liverpool to the 4th inst. inclu-
sive. We have only time to add that we shall
issue an Extra in the course of the day con-
taining the most important items.

Letter from China.—There is a report in the
Boston Times, brought by a vessel which ar-
rived at New-York from Canton, that there was
not the slightest probability of any settlement
of the difficulties.—That China will not yield
one iota, and that every preparation was mak-
ing by the British Admiral to commence
hostilities.

We have to apologise to our Readers for
the large space occupied by local matter, viz:
—the Reports of the Grand Jury and their
Worships, on the County Accounts, which
will, no doubt, be read by the inhabitants of
this County with much interest. We have
much pleasure in stating that the Magistrates
were desirous of furnishing all such infor-
mation as might be required by the Grand Jury,
which they did by ordering the Accounts of
the County for the last six years to be laid
before that body and affording every expla-
nation. The Jail Accounts were minutely
entered into, thoroughly examined and found
correct, and satisfactory, which sets that ques-
tion at rest. The Grand Jury it will be ob-
served, have offered several suggestions which
have been responded to by their Worships.—
They have also noticed the systematic and
business-like style in which the accounts and
vouchers were laid before them by the Deputy
Treasurer, D. W. JACK, Esq. which that
gentleman deservedly merits. At the con-
clusion of their report reference is made to the
Court House, and the Contractor, Mr. Berry's
loss, which he has sustained in consequence
of endeavouring to make the Building
meet the wishes of the inhabitants of this
County. The Magistrates have taken up the
subject and we trust that Mr. Berry will be
amply compensated for his expense and
praiseworthy exertions.

We have received late files of Jamaica pa-
pers from which we shall extract next week.

The following Gentlemen were elected Of-
ficers of the St. John Mechanic's Institute
for the current year:—
John Duncan, Esq., President.
Dr. Genser, Vice Presidents.
Wm. Jack, Esq.,
R. Bayard, Esq. Corresponding Secy.

H. J. Chubb, Recording Secy.

lin, Richard Duff, John Gray.—Court.

THE CANADA ELECTIONS.
These elections commenced, under the
proclamation of Lord Sydenham, on the 8th
ultimo. The returns are now all in; and the
result, so far as the opinions of the members
have been declared, ascertained. A letter
from a correspondent at Toronto, dated the
29th ult. from a well informed source, classes
the new Parliament, as follows, according
to advices received there. Under the new
arrangement, each District (or Province, as
before) returns 42 Members to the Assembly.

U. CANADA. L. CANADA.
Government men, 18 18 36
Anti-unionists, French 0 24 24
Conservatives, 8 0 8
Liberals, 16 0 16
42 42 84

Of these, nine, it is said, will be contested,
viz: Beauharnois, Three Rivers, Vaudeuil,
Rouville, York 2d Riding, St. Maurice, Le-
nox and Addington, Montreal-County and
Chambly. These are chiefly Government
Members.—*Albany Argus.*

From the Belfast Journal.
McLeod's trial will not take place till Oct.
next unless a special court is convened. The
informality of the proceedings which made it
necessary to postpone the trial, was without
doubt intentional to the party in power. Such
is federal respect or fear for England. They
desire time to devise some means to let slip
the murderer.

From the N. Y. Journal of Commerce.
THE BOUNDARY.—The following paragraph
from the Kennebec Journal contains a fact
that it would be well for all agitators to bear
in mind:—
"We should not lose sight of the fact that
the territory belonging to us on the other side
of the St. John has never been under the civil
or military jurisdiction of the States of
Maine or Massachusetts. British laws are
the only laws that have ever been enforced
there. The Aroostook on the contrary was
occupied by Americans when Sir John Har-
vey threatened to drive us from thence but
did not attempt to do it.—River St. John is
now commonly understood to be the tempo-
rary dividing line contemplated in the arrange-
ment of Gen. Scott on the part of President
Van Buren, Gov. Fairfield on the part of
Maine, and Sir John Harvey on the part of
Quebec Victoria."

THE GOOD CAUSE IN IRELAND.—A recent
meeting of the friends of Temperance was
held in Cork when a statement was read,
showing the result of the last tour of Father
Matthew. It was indeed a glorification and
in the proper spirit. In addition to the 3,500,
600 pledges already recorded the following
list was added, making the total 4,647,000.
Among them, are upwards of 700 clergymen:
Ballyshannon, county of Donegal, 60,000;
Tipperary, 60,000; Limerick, 10,000;
Thurles, 75,000; Gorey, 9,000; Ennisceorty
