

Premiums for Clubs

A Select List of New and Desirable Articles Carefully and Specially Selected for those Who Get Up Clubs for Farm and Home at the Special Rate of

35 CENTS A YEAR

Great Pay for Little Work

Anyone Can Form a Club and Secure a Premium by Complying with the Conditions as Given Below:

We present herewith a condensed list of the many premiums which we give to those who get up clubs for Farm and Home. The premiums offered have been selected with more than ordinary care and with special reference to their suitability to those likely to win them. Particular attention is called to the fact that we give double the value offered heretofore, the premiums which we formerly gave for four subscribers going for two subscribers, and so on. These offers, however, are for new subscribers only and we hope thereby to greatly increase our circulation. We still give premiums for old subscribers, but double the number of new subscribers are required in each case. For example. To secure any premium offered for two new subscribers you must send four old subscribers, and so on, for any article advertised. A new subscriber is one who is not a reader of the paper at present, while an old subscriber is one whose name appears on our subscription list, and who receives the paper regularly. Every article advertised is well worth working for and all who get up clubs and secure one or more of these premiums will find themselves doubly repaid for the little time it will take.

The first column gives the number of each article, the second column the name, and the third column the retail price. Any premium advertised may be purchased outright, if desired, at the price set opposite each. We hope, however, that as many as can will get up clubs, and thus aid us in extending the influence and usefulness of Farm and Home still further, and secure one or more of these splendid premiums free of cost.
