A MOST REMARKABLE CURE.

Townstei Leavenworth Co., Kan., April 2, 1876.

SETH S. HANCE,—Dear Sir: The Epileptic Pills that I received from you last September have accomplished all that you recommended them to do. My son is hearty, stout, and robust; he is as hearty as any child in Kansas—indeed he is in the manner a new boy, being red and rosy. Before he commenced taking your Pills he was a very pale and delicate looking child, and had Epileptic Fits for about four years, and seeing your pills advertised in the Christian Instructor, I sent to you and got two boxes of them, and he has not had a fit since he commenced taking them; he has been exposed to all changes of weather in going to school and on the farm, and he has not had one fit nor a symptom of one since he commenced taking your pills. He learns well at school, and his mind is clear and quick. I cell that you are not sufficiently paid for the service and benefit you have been to us in restoring our child to health. I will cheerfully recommend your Pills to every one I hear of that is afflicted with Epilepsy. Please send me some of your circulars so that I can send them to any that I hear of that is afflicted in that way.

Respectfully, etc., Lewis Thornbergh.
