WALKS ABOUT ZION.

BY REV. JOS. ELLIOT.

172 pages. Cloth, 50 cents; in paper, 30 cent. Mailed to any address, free of postage, on receipt of price.

"Among good books for devotional or practical religious use we may mention with commendation 'Walks About Zion,' a volume of brief interesting and practical addresses on religious topics."—*New York Independent.*

"These addresses are brief, pointed, eminently practical. Mr. Elliot is well known to this community as an accomplished expounder of the Word of God, and with the gift of saying much in little, much meaning, few words. This is the characteristic of these addresses which are most cordially commended to the thoughtful reader. We confess to be reminded by these brief and terse discourses of our dear old favourite, John Foster."—*Presbyterian (Harrisburg) Witness.*
