LIFE ASSURANCE CO.,

FULL GOVERNMENT DEPOSIT.

President, Hon. A. MACKENZIE, M.P.

Ex Prime Minister of Canada.

The new Toronto Return Premium Plan of the North American Life Assurance Co. provides that should death occur prior to the expiration of the twelve month term of the policy, the amount that may have been paid will be returned to the policyholder in full, the face of the policy—thus ensuring a dividend of 100 per cent. on the premiums paid, should death occur during said period.

The Commercial Plan—The large number of business and professional men who have taken out large policies on the company's Commercial Plan, show that the demand for reliable life insurance is felt by much of the investment class, and which constitutes the overpayments of the ordinary plans, is not confined to men of small incomes, but extends through all classes of our people.

CHAS. STARK,
52 Church St., Toronto,

(Manufacturers of Gold and Silver Watch Cases,
Jewellery, etc.) will send by mail, prepaid, a genuine
Rockoff Open Face Nickel Watch. No key required
for winding and setting. This is not a cheap, trashy
fraud got up to swindle the public, but an excellent
boy's watch. Good timekeeper, strong and durable.
Does not require a chopping key to open it. Does
not snap and close like a match or tobacco box. It
has not got a paper dial, nor have you to sit up late
at night and get all the family to help you give it the
necessary 150 turns to coax it to go, but a regular
watch—dial, spring, and winding like any other
watch. Thousands of them have been sold at \$5.
