

PARAGRAPHIC.

THE ELECTRIC LIGHT,

Is a matter of small importance compared with other applications of electricity. By this agency Polson's Nerviline is made to penetrate to the most remote nerve—every bone, muscle and ligament is made to feel its beneficent power. Nerviline, pleasant to take, even by the youngest child, yet so powerfully far reaching in its work, that the most agonizing internal pain yields as if by magic. Neglect no longer to try Nerviline. Buy to day a correct trial bottle and be relieved from all pain. Sold by druggists and country dealers everywhere.

VIRTUOUS INDIGNATION.—Shocking unprincipled lot, those bus conductors! One of them passed a had sixpence on me a fortnight ago, confound him! I've not been able to get rid of it yet!

A cough or cold taken between now and Christmas frequently lasts all winter. This is certainly the case with people who have weak lungs. The most convenient, reliable and inexpensive remedy is Johnson's Anodyne Liniment. It is to be used internally and externally.

A Poultry Authority says "hens will lay a certain number of eggs in a year." Our experience is that they will lay an uncertain number. —Lowell Courier.

Horsford's Acid Phosphate.
BEWARE OF IMITATIONS.

Imitations and counterfeits have again appeared. Be sure that the word "Horsford's" is on the wrapper. None are genuine without it.

Chicago Mothers now frighten their nauty children with the following warning: "If you are not good the interstate commerce bill will catch you." —Chicago News.

SCOTT'S EMULSION OF PURE COD LIVER OIL WITH HYPOPHOSPHITES,

For Children and Pulmonary Troubles.

Dr. W. S. Hoy, Point Pleasant, W. Va., says: "I have made a thorough test with Scott's Emulsion in Pulmonary Troubles and General Debility, and have been astonished at the good results; for children with Rickets or Marasmus it is unequalled." Put up in 50c. and \$1 size.

AGAIN and again, sounds the cry: "Another good man gone wrong!" When, we ask, will the bad men commence to go right.

Last winter we warned our readers against buying the large packs of worthless horse and cattle powders, and as it is now time to begin to use them, we again urge them not to throw away their money. Sheridan's Powders are strictly pure, but we know of no others that are.

DANGEROUS.—If you have diarrhoea or dysentery check it at once. Use Minard's Liniment freely on the bowels, spread on brown paper and take it internally according to directions. It will cure the worst case in a few hours.

"Are you and Miss Smith engaged?" inquired a young man of his chum. "Report says so." "Well, she sent me a true lover's knot." "Ah, that looks like business." "Yes, but she spoiled it without a 'k'."

The best Testimony in favor of Pyle's Pearline Washing Compound is the millions of packages sold every year, and sales steadily increasing in spite of the numerous poor imitations.
