have been expected skirted their duty; treason in our town-camps exposed his plans to the enemy as rapidly as they were formed, and jealous officers succeeded in more than once preventing a forward movement at the opportune moment. It is believed that the Court-martial of General Franklin will bring many facts to light to show to the country why we have again failed to take Richmond and destroy the rebel army of the Potomac.—*Philadelphia Inquirer.*

EXCITING PROCEEDINGS IN THE ILLINOIS LEGISLATURE.—The proceedings of the Illinois Legislature last week were of an exciting character. Upon the 4th inst., the Committee on Federal Relations reported a series of resolutions in which the right to appeal to the sword to maintain the Union and the Constitution is denied, the remedy being an appeal to the people in Convention assembled; that the allegiance of the citizens is due alone to the constitution and laws, and not to any man officer or administration; that the acts of the Federal Government in suspending the writ of habeas corpus; the unlawful arrest of citizens; the establishment of a system of espionage by means of a secret police; the declaring of martial law over States not in rebellion; the declaring of slaves of loyal, as well as disloyal citizens, in certain States and parts of States, free; the attempted enforcement of compensated emancipation; the proposed taxation of the laboring white men to purchase the freedom and secure the elevation of the negro; the transportation of negroes into the State of Illinois, in defiance of the repeatedly expressed will of the people; the arrest and imprisonment of the representatives of a free and sovereign State; the dismemberment of the State of Virginia, erecting within her boundaries a new State, without the consent of her Legislature,—are, each and all, arbitrary and unconstitutional, a usurpation of the Legislative functions, and a suspension of the judicial departments of the State and Federal Governments, subverting the Constitution, State and Federal, invading the reserved rights of the people and the sovereignty of the States, and, if sanctioned, destructive of the Union, establishing, upon the common ruins of the liberties of the people and the sovereignty of the State, a consolidated military despotism. The resolutions further set forth that the army was organised confiding in the declaration of the President, that he had *no* purpose directly or indirectly, to interfere with the question of slavery, and also upon the resolutions of Congress, that the war was not waged in any spirit of oppression or subjugation; notwithstanding which, the war has been diverted from its avowed object to that of subjugation and the abolition of slavery; they therefore declare that the further prosecution of the war cannot result in the preservation of the Union unless the President's Emancipation Proclamation is withdrawn; they denounce both the monstrous usurpation of the Abolitionists and the ruinous heresy of Secession, and declare that they never can consent that the great Northwest shall be separated from the Southern States comprising the Mississippi Valley. That river shall never water the soil of two nations, but, from its source to its confluence with the Gulf, shall belong to one great and united people. On the 6th instant, a resolution of Senator Underwood, in relation to a proposed recess of the Assembly till June, came up, and there was much opposition by Republicans. Mr. Mack (republican) denounced the resolutions of the Committee on Federal Relations as traitorous, and some of the men named as Peace Commissioners as traitors by name. The Republicans, after some manœuvring, left the Hall, but were brought back by the Sergeant-at-Arms. The doors were locked, and the resolutions passed by a vote of 11 to 7. At a caucus of the Republican members of the Legislature it was agreed not to meet again with that body till the objectionable proposition had been withdrawn.—*Montreal Herald.*

MARRIAGE BY TELEGRAPH.—The Syracuse *Standard* of Wednesday has the following item:—A marriage by telegraph took place yesterday afternoon, between a young lady in one of the principal villages on the Oswego Railroad, and an artillery soldier on duty near Washington. The chaplain of the bridegroom's regiment telegraphed the material question of the marriage ceremony to the lady, viz: "Do you take —— to be your husband?" directing her to answer, 'I do,' and to authorize him to propose a like question to the gentleman. In two hours after the lady received the chaplain's first message, she received a second announcing that the soldier and she were man and wife. The telegram is her marriage certificate. It is understood that the parents of the lady are opposed to the union, and that this method was taken to outwit them. The time for the ceremony had been fixed by correspondence, beforehand, and the lady was in waiting when the first message was received at the telegraph office. Married by telegraph! What will the next step be?

Ayer's SARSAPARILLA

THE WORLD'S GREAT REMEDY

FOR

SCROFULA AND SCROFULOUS DISEASES.

From Emery Edes, a well-known merchant of Oxford, Maine.

"I have sold large quantities of your SARSAPARILLA, but never yet one bottle which failed of the desired effect and full satisfaction to those who took it. As fast as our people try it, they agree there has been no medicine like it before in our community."

Eruptions, Pimples, Blotches, Pustules, Ulcers, Sores, and all Diseases of the Skin.

From Rev. Robt. Stratton, Bristol, England.

"I only do my duty to you and the public, when I add my testimony to that you publish of the medicinal virtues of your SARSAPARILLA. My daughter, aged ten, had an afflicting humor in her ears, eyes, and hair for years, which we were unable to cure until we tried your SARSAPARILLA. She has been well for some months."

From Mrs. Jane E. Rice, a well-known and much-esteemed lady of Dennisville, Cape May Co., N. J.

"My daughter has suffered for a year past with a scrofulous eruption, which was very troublesome. Nothing afforded any relief until we tried your SARSAPARILLA, which soon completely cured her."

From Charles P. Gage, Esq., of the widely-known firm of Gage, Murray & Co., manufacturers of enamelled papers in Nashua, N. H.

"I had for several years a very troublesome *humor* in my face, which grew constantly worse until it disfigured my features and became an intolerable affliction. I tried almost everything a man could of both advice and medicine, but without any relief whatever, until I took your SARSAPARILLA. It immediately made my face worse, as you told me it might for a time; but in a few weeks the new skin began to form under the blotches, and continued until my face is as smooth as anybody's, and I am without any symptoms of the disease that I know of. I enjoy perfect health, and without a doubt owe it to your SARSAPARILLA."

Erysipelas—General Debility—Purify the Blood.

From Dr. Robt. Sawin, Houston St., N. Y.

DR. AYER: I seldom fail to remove *Eruptions* and *Scrofulous Sores* by the persevering use of your SARSAPARILLA, and I have just now cured an attack of *Malignant Erysipelas* with it. No alterative we possess equals the SARSAPARILLA you have supplied to the profession as well as to the people."

From J. E. Johnston, Esq., Wakeman, Ohio.

"For twelve years I had the yellow Erysipelas on my right arm, during which time I tried all the celebrated physicians I could reach, and took hundreds of dollars' worth of medicines. The ulcers were so bad that the cords became visible, and the doctors decided that my arm must be amputated. I began taking your SARSAPARILLA. Took two bottles, and some of your PILLS. Together they have cured me. I am now as well and sound as anybody. Being in a public place, my case is known to everybody in this community, and excites the wonder of all."

From Hon. Henry Monro, M. P. P., of Newcastle, C. W., a leading member of the Canadian Parliament.

"I have used your SARSAPARILLA in my family, for general *debility*, and for *purifying the blood*, with very beneficial results, and feel confidence in commending it to the afflicted."

St. Anthony's Fire, Rose, Salt Rheum, Scald Head, Sore Eyes.

From Harvey Sickler, Esq., the able editor of the Tunckhannock Democrat, Pennsylvania.

"Our only child, about three years of age, was attacked by pimples on his forehead. They rapidly spread until they formed a loathsome and virulent sore, which covered his face, and actually blinded his eyes for some days. A skilful physician applied nitrate of silver and other remedies, without any apparent effect. For fifteen days we guarded his hands, lest with them he should tear open the festering and corrupt wound which covered his whole face. Having tried every thing else we had any hope from, we began giving your SARSAPARILLA, and applying the iodide of potash lotion, as you direct. The sore began to heal when we had given the first bottle, and was well when we had finished the second. The child's eyelashes, which had come out, grew again, and he is now as healthy and fair as any other. The whole neighborhood predicted that the child must die."

Reading, Pa., 6th May, 1861

J. C. AYER, M. D. Dear Sir: I have a long time been afflicted with an *eruption* which covered my whole body, and suffered dreadfully with it. I tried the best medical advice in our city without any relief. Indeed, my disease grew worse in spite of all they could do for me. I was finally advised by one of our leading citizens to try your SARSAPARILLA, and after taking half a bottle only, I found that it had reached my complaint, and my health improved surprisingly. One single bottle completely cured me, and I am now as free from the complaint as any man in the world. Publish this, and let the afflicted know what you have done for me, and what may be done for their relief.

Yours, with great respect and gratitude,
JACOB H HAIN.

The above certificate is known by us to be true, and any statement from Mr. Hain entirely reliable.

HARVEY BIRCH & BRO.,
Druggists, Reading, Pa.

B W BALL, Esq., the eminent author of this city, states, 6th Jan., 1860: "My wife has been of late years afflicted with a *humor* which comes out upon her skin in the autumn and winter, with such insufferable itching as to render life almost insupportable. It has not failed to come upon her in cold weather, nor has any remedial aid been able to hasten its departure before spring, or at all alleviate her sufferings from it. This season it began in October with its usual violence, and by the advice of my physician I gave her your SARSAPARILLA. In a week it had brought the *humor* out upon her skin worse than I had ever seen it before; but it soon began to disappear. The itching has ceased, and the *humor* is now entirely gone, so that she is completely cured. This remarkable result was undoubtedly produced by your SARSAPARILLA."

Charles P. Gage, Esq., of the widely-known Gage, Murray & Co, manufacturers of enamelled papers in Nashua, N. H, writes to Dr. Ayer:

"I had for several years a very troublesome *humor* in my face, which grew constantly worse until it disfigured my features and became an intolerable affliction. I tried almost everything a man could of both advice and medicine, but without any relief whatever, until I took your Sarsaparilla. It immediately made my face worse, as you told me it might for a time; but in a few weeks the new skin began to form under the blotches, and continued until my face is as smooth as any body's, and I am without any symptoms of the disease that I know of. I enjoy perfect health, and without a doubt owe to your Sarsaparilla."

Boston, Jan 5, 1861

J. C. Ayer, M.D; Lowell—Dear Sir—For a long time I have been afflicted with a *humor* which broke out in blotches on my face and over my body. It was attended with intolerable itching at times, and was always very uncomfortable. Nothing I could take gave me any relief until I tried your Sarsaparilli, which has completely cured me.

II. It comprises two kinds of teaching: 1st. Primary and Commercial, in a course of four years. This includes reading, writing, grammar and composition, arithmetic, the elements of history, ancient and modern, geography, book-keeping, linear drawing, algebra, geometry, mensuration, the elements of astronomy and of general literature; in a word, every branch of knowledge necessary to fit persons for occupations that do not require a classical education. The French and English languages are taught with equal care. 2nd. Classical studies, such as are usually made in the principal colleges of the country. This course comprises seven years, but pupils who are very assiduous, or endowed with extraordinary ability, may go through it in six or even five years. IV. No one can commence the Latin course until he writes a good hand, and is able to give a grammatical analysis of the parts of speech of his mother tongue.

V. Every pupil coming from another house of education must present a certificate of good conduct, signed by the Superior of that Institution.

VI. There will be a course of religious instruction suited to the age and intelligence of the pupils.

VII. In conformity with the views of the Institution great care will be taken that the classical instruction is governed by the Catholic spirit, and a careful selection will be made of those authors best adapted to develop that spirit.
