

PREFACE

Working papers are the result of research work in progress, often intended for later publication by the Institute or another organization, and are regarded by the Institute for Peace and Security as being of immediate value for distribution in limited numbers -- mostly to specialists in the field. Unlike all other Institute publications, Working Papers are published in the original language only.

The opinions expressed in this paper are those of the author and do not necessarily represent the views of the Institute or its Board of Directors.

Paul George is an international affairs consultant based in Ottawa.
