

Article 10

On-Site Inspection of Seismic Events

1. A. The Administrator shall certify immediately by public notice at the Headquarters of the Organization whenever he determines that an event eligible for on-site inspection in accordance with the provisions of Article 8 of Annex I has occurred. This certification shall include a specification of the time of origin and location of the seismic event, the area eligible for inspection (hereinafter referred to as the "certified area"), and the data and analysis upon which the determination of eligibility was made. The Administrator shall make every effort to make this certification within seventy-two hours after the occurrence of the event.

B. Whenever the Administrator is informed through the Organization that a seismic event of seismic magnitude of 4.75 or above which is located by the System has occurred, and if the event is not immediately rendered ineligible for on-site inspection in accordance with the provisions of Article 8 of Annex I, he shall ^{immediately} make public at the Headquarters of the Organization all data relating to such a seismic event which could be of assistance

(i) to any Party exercising its right to request an on-site inspection under paragraphs 2 and 3 of this Article, or

(ii) to the Commission in its decision whether to issue a directive under paragraph 4 of this Article.

The Administrator shall make every effort to make this data public within seventy-two hours after the occurrence of all events referred to in this sub-paragraph, except for those events which have subsequently been found ineligible for on-site inspection in accordance with sub-paragraphs 3 C and 3 D of Article 8 of Annex I.

2. A. If any portion of the certified area lies in territory under the jurisdiction or control of any of the original Parties, the Administrator shall immediately despatch an inspection group to carry out an on-site inspection of such portion of the certified area in accordance with Annex I, provided that:

(i) The USSR requests the inspection of such portion of the certified area which lies in territory under the jurisdiction or control of
