

- (d) Favour colonization while preventing further rural exodus;
- (e) Organize and protect local markets for the distribution of goods produced by Canadian farming and manufacturers;
- (f) Prohibit all immigration which might be inimical to her fundamental institutions and which might constitute, in her mining centres, seats of disorder and agencies of revolutionary propaganda.

It was Ordered, That the said Order of the Day be postponed until Monday, next.

The Order of the Day being called for resuming the adjourned debate on the motion of the Honourable Senator Ballantyne:—

That he will call the attention of the Senate to the training of naval cadets and the closing of the Naval College and also to the sale of the training ship *Aurora*.

It was Ordered, That the said Order of the Day be postponed until to-morrow.

A Message was brought from the House of Commons by their Clerk in the following words:—

FRIDAY, 9th April, 1937.

Resolved,—That a Message be sent to the Senate to acquaint their Honours that this House hath agreed to their amendments to Bill No. 12, "An Act to provide for revision of the accounting set-up of the Canadian National Railway System," with an amendment to their second amendment as follows: by striking out of the said amendment the words "representing an aggregate indebtedness of \$1,334,567,414 is disclosed in the net debt of Canada and" and substituting therefor the words "is included in the net debt of Canada, and disclosed," for the following reasons:—

The inclusion of the second amendment as worded nullifies the purpose of this Bill in that it restores to the balance sheet the amount of accumulated operating deficits covered by loans, and adds thereto the amounts voted in the form of contribution (which are not and never have been loans) under the Maritime Freight Rates Act, 1927, and The Canadian National-Canadian Pacific Act, 1933, which amounts are duplicated in the net debt of Canada.

Ordered,—That the Clerk of the House do carry the said Message to the Senate.

Attest.

ARTHUR BEAUCHESNE,
Clerk of the Commons.

On motion, it was—

Ordered, That the said Message be taken into consideration presently.

Accordingly, the Senate proceeded to the consideration of the said Message. After debate, and—

The question being put on the motion for concurrence in the amendment made by the House of Commons to its second amendment, it was agreed to, and—

Ordered, That a Message be sent to the House of Commons to inform that House that the Senate do not insist upon the form of its second amendment and do accept the amendment made by the House of Commons thereto, without any amendment.
