UNIVERSITY CLUB OF MONTREAL

Dear Mr. Prencipal.

I was very delighted to renew  
my acquaintance with you yester-  
-day.

Have you noticed that Trinity,  
Cambridge, are offering Exhibitions  
to Dominion Students? I  
think it is a grand move. In  
fact I hope that all in Canada  
at Mc Gill, Toronto etc, will  
offer Research Studentships to  
British University men. We  
shall thus get a little stream  
of able students some of whom  
will be good enough to  
recruit our staff -
