President - Last Post Fund

Dear Sir Arthur,

Recently I discussed the subject of a working personnel in the joint provinces of Nova Scotia & Prince Edward Island, for whom we now hold considerable funds due to the lack of a local Executive to whom cases may be referred.

Mr Scammell concurs in the opinion that it would be well for me to go there again in person immediately after the Federal Elections especially as the newly appointed Lieutenant-Governor ~~is~~ <sup>was</sup> a resident of Montreal for some years - The Hon. J.C. Tory - to whom, perhaps you would be good enough to give me a letter of introduction, or some other prominent person you may know in either the city of Halifax or Amherst ?

If you concur in this action, Mr Scammell says that the expense incurred may be charged against the 'reserve' held by his Department from the current year's Grant, which he considers warrantable.

Thanking you in anticipation of your wishes in the matter.

Faithfully

Dominion Secretary-Treasurer
