4. That in all cases where grants of money (other than personal) are made by the Church Society, it shall be the duty of the person to whom such grant shall be paid to furnish, within three months afterwards, regular vouchers of the expenditure of such sums, to be submitted to the Board.

5. That when the conditions on which any sum is voted are not complied with, and the money applied for within one year from the time it is voted, such grant shall be struck off the list.

6. That no grant shall be made towards the erection of any church or parsonage, unless the plans and site have been approved of by the Bishop.

7. That no grant shall be made to any parish, mission or station, in which at least one sermon in aid of the Pension Fund shall not have been preached, and from which the subscription shall not have been sent in during the year.

8. That all applications for aid reach the hands of the Secretary at least a fortnight before the next meeting of the Central Board.

9. That no application for aid in repairing either churches or parsonages be entertained for the future; as the Central Board conceive it to be the duty of congregations to keep all their church property in good repair.

10. Clergymen desirous of participating in the benefits of the Widows' and Orphans' Fund are required to pay their annual contributions before the first of May in each year.

11. No school shall be assisted for a longer period than twelve months without being inspected and reported to be in a satisfactory condition.

12. That no application for grants in aid of churches, parsonages or buildings of any kind be entertained by the Central Board without a resolution from the Congregation approving of such application be sent at the same time to the Board.
