The Programme of Special Attractions

Which has been prepared for this Exhibition far surpasses in extent, quality and novelty, those of any previous year, and cannot but prove enjoyable to visitors. Among the principal features at present contracted for, and to which many others will be added, are the following:

FAMOUS LADY EQUESTRIENNES

MISS LORETTA C. MASTERMAN
Of Denver, Colorado

MISS JENNIE F. MORSE
Of Pottsville, Pa.

Who will engage in a series of races, contesting the title to Lady Supremacy, at fast and daring riding and driving, giving exhibitions of BOLD and SKILFUL LADY HORSEMANSHIP, the like of which has never before been witnessed in this country. They will give ROMAN STANDING RACES, double teams, at full speed round the Race Track; DUOLE TEAM RUNNING RACES to Skeleton Waggon; and THREE MILE RUNNING RACES, changing horses each mile, in which the ladies ride without saddles. These are the ONLY LADIES in THE WORLD who venture to ride these daring and far-famed ROMAN RACES ROUND a RACE TRACK, standing upon the horses, bareback, while they run at full speed. The riding in small circus rings is insignificant in comparison with their feats. Their Time - Half Mile, 47 seconds (fastest on record); Mile, 1 minute 52 seconds.
