

By Their Fruits

"By their fruits ye shall know them."

One of the fruits of Christian Science is

The Christian Science Monitor
An International Daily Newspaper

Here you see the power and value of Truth and Principle applied to the affairs of the whole world.

You see a newspaper without sensationalism, gossip, unsavory details, exaggeration or falseness. And yet—or rather because of it—a highly interesting and edifying newspaper. The Monitor is all the more interesting because its readers know that what they read is true, and therefore has a real bearing upon their thought and lives.

The Christian Science Monitor is \$9.00 a year by mail, or may be obtained at news stands, hotels and Christian Science reading-rooms. A monthly trial subscription by mail anywhere in the world for 75c; a single copy for 3c stamp.
