BUILD YOUR OWN HOME

Let no man say he cannot afford to own a home. We have made it so easy that any man, who can afford to pay rent, can afford to buy a home. If you, Mr. Workingman, will put in your spare time building your house with your own hands, you will be surprised how quickly you can construct a cosy and comfortable cottage. It helps wonderfully if you will put up a tent on your lot and work mornings and evenings, and save rent thereby, until your house is ready to move into in the fall. The spot worth living in-the spot that calls loudest with opportunity-is the
