Action Won Championship.

Acton, Oct. 20.—In a hotly contested
match between Acton and Winton for the
intermediate C. L. A. championship on the
Fergus grounds Thanksgiving Day Acton
won their final and decisive victory by 4
goals to 3. This brings the championship
home to the Royal District and speaks very
highly of the Acton team, considering that
this is the first season they have had a
team for over ten years, and that seven of
the men never played in a match previous
to this year. When the season opened the
management decided to put the team into
the intermediate series with the result
that they were placed in the district with
Galt and Fergus. When the schedule was
played out these three teams tied for the
district championship. A tie was scrapped
and Acton won out. They defeated their
semi-finalists St. Mary's, defeating that
team in Acton and St. Mary's. This left
Winton, Haverhill, and Acton in the final
three. Acton was again taken, Winton drawing
side—Hence, Acton was ordered to play
Haverhill in Stouffville, defeating them 1
to 2. The final game was then ordered
with Winton in Fergus, when Acton came
out as the intermediate winners. Thursday's
final game was a splendid exhibition of foot-
ball. The Gamets of Winton putting up
a light for the championship worthy of the
reference. Names of the intermediate cham-
pions: Ed Ryder, Fred Ryder, Frank Mc-
Donald, William Smith, C. E. Williams, R.
Scott, R. Erwin, C. Erwin, M. Henderson,
J. Watson, F. Watson, F. W. Cornett, W.
Gurney, A. Gurney, C. Henderson, J. Barry,

Markham's Title Clear.

Messrs. Stark, Lennox and Good, the
committee of the C.L.A. to pass on the
case of George Stark, who was charged with
the Teemsh-Elms as ineligible, have de-
cided against the protest. Mr. Good dis-
cussing from the finding of the majority.

Choyinski Had a Clinch.

New York, Oct. 20.—A fight of Cal-
ifornia whippersnapper Jimmy Ryan of Australia
in the seventh round of their fight tonight
at the Broadway Athletic Club. C. B. Williams
in the heavy weight division, but Choyinski was
far too clever, and the outcome of the
contest was expected. Ryan was outpointed
from the first tap of the gong, and when
the knockout came Choyinski was as fresh
as when he began.

Old Jack Kilrain Put to Sleep.

Baltimore, Md., Oct. 20.—The Kilrain

sons, Willie and Joe.
Fred Wyatt received the best applause of
any boxer man ever left a ring in the
city. Pat Kilty speaks highly of his op-
ponent's gameness, and as both are willing
they'll meet again, perhaps for 15
rounds.

Another for the Phillies.

Brooklyn, Oct. 20.—Philadelphia won the
fourth game of the match series to-day by
better hitting. McJames was known of the
box in five innings and was suc-
ceeded by Donovan, who held the Phillies
down. It was a good and the Brooklyn
fielded raggedly. The series is now tied
to to-morrow's game will decide.
