FIERCE RIOT AT A DRYDEN MILLS OSHAWA'S MAYOR MAKES TROUBLE

Mr. Smith, Ex-M.P., Resented Some Cutting Remarks of Mr. Fowke, and, Ascending the Platform at Columbus, Smeted Him in the Face—Pandemonium Ensued.

Oshawa, May 25.—There was a hot time at Columbus last night in connection with a political meeting held in the interests of Hon. John Dryden. Mr. Dryden spoke first and was followed by Dr. Kaiser on behalf of Charles Calder. Then followed Mr. F. L. Fowke, Mayor of Oshawa, who was to be the last speaker. The speeches of Mr. Dryden and Dr. Kaiser were fairly well listened to, but the applause was very noisy at times.

TWO SMALL REPUBLICS SET UP IRRECONCILABLES IN NEW HOMES

England Looks For Peace With the Main Army of the Enemy—Rumor That Roberts Will Retire After the Coronation and Connaught Will Succeed Him.

London, May 25.—Everybody in Great Britain now expects that peace in South Africa will be concluded in a short time. The social utterances of the past day or two have taken a vaguely optimistic tone, and what is more significant, the Stock Exchange believes that peace is at hand.

ANOTHER ERUPTION MAY 18

Inhabitants of Chateau Belair, St. Vincent, Terrorized By Latest Outbreak.

TOWN ENVELOPED IN DARKNESS

Kingston Crowded With Refugees—Heat and Dryness Are Unprecedented.

Kingston, Island of St. Vincent, B. W. I., May 24.—Another eruption on the night of Sunday, May 18, caused a greater fall of ashes and stones and more consternation at Chateau Belair, Island of St. Vincent, than that of the eruption of May 17. Shortly after the appearance of May 18, a cloud, which was belched from the mountain, Egyptian darkness enveloped the village of Chateau Belair.

LONGING FOR RAIN

Kingston is longing for rain, and the heat and dryness here are unprecedented. There is no hope for the resuscitation of the Carb country for years to come; the canal that supplies water to that country for domestic and manufacturing purposes has dried up, and the district is desolated.

FOUR ACTIVE CRATERS

The cloud that issued from the crater on Sunday night was visible to the inhabitants of the neighboring Island of St. Lucia, and inspired them with awe. Vivid flashes of lightning were seen on the morning of May 19, and these were accompanied by slight volcanic rumblings. The number of new craters in the disturbed district cannot be ascertained, as ascent of the mountain is impossible; but there are, apparently, four active craters there.

BANK TELLER SUICIDES

Halifax, May 25.—R. S. Little, teller of the Royal Bank of Canada at Charlottetown, suicided in a room at the Hotel Mirto this morning. A note was found in his pocket to the effect that "Physical trouble from which I cannot recover is the cause of this deed." He was about 22.

SENATOR CLEWOW DYING

Quebec, May 25.—Hon. Senator Clewew is reported tonight to be very low. His recovery is highly improbable and death might come at any hour.

CROP PROSPECTS

For some weeks it has been reported that the area under wheat cultivation in the Canadian Northwest would be less than last year. Those who got such information got it from sources which looked at particular sections, and not the Northwest, as a whole.

WINDSOR

Windsor, May 25.—The city was aglow yesterday with military splendor. Richly uniformed troops paraded the streets to the accompaniment of martial music, while flags and banners fluttered from the buildings.

PREMIER SEDDON OF NEW ZEALAND HAS HAD SATISFACTORY INTERVIEW WITH LORD KITCHENER

London, May 25.—The Daily Mail in its issue this morning says the announcement of peace may be expected at any moment, and that it will be found that the government has remained inflexible on all vital points at issue.

NO MORE TROOPS NEEDED

Pretoria, May 25.—The Boer deputations is still here and the conferences at Vereeniging continue. Nothing definite of the result is known, but it is believed that the negotiations are proceeding favorably.
