THE GRAND MASTER'S REPLY. Grand Master Gibson, in the course of his reply, said: "I can hardly find words to express my feelings and grati-tude for the handsome ovation that the brethren of the city have given me. I am more than particularly pleased with the occasion, because London has in my heart a very warm spot, and I am deeply indebted for the assistance and sympathy and strong personal feeling that has been evinced by the brethren of London at all times toward me: but more especially some four years ago, when they asisted me to the position sometimes asked what good Masonry has done, and what good it is doing, more interest in the order than does London and the district surrounding time ago to go to a little town, where composed of brethren and their wives, have identified themselves with it. do

Mr. Aaron Goddard, Weston P. O., Ontario, Canada, says: "For five years I suffered with rheumatism so severe and so persistent that oftentimes I was compelled to crawl into bed on my hands and knees. I tried to secure relief in every direction, but failed. Physicians and patent medicines were alike useless in my case. I was persuaded to try Munyon's Rheumatism Cure, and after using the first bottle I noticed a great imp bottles completely cured me. Since that time I have been exposed to all kinds of weather without any return of the trouble. To test my cure I allowed myself to become soaking wet and cold, but there was not a rheumatic pain as the result."

WHEEL

"BABY" BLISS WOULD BE A HEAVY-WEIGHT JUDGE. Bloomington, Ill., March 22 .- "Baby" Bliss, the champion heavy-weight bicyclist, present weight 555 pounds, is a candidate for the Republican nomination for police magistrate of this city, his birthplace and his home. He is likely to be nominated and elected. He is probably the heaviest candidate for public office in the United States. Bliss is 27. He is a member of a respected family of Bloomington and is the only one of the family of unusual size. He is well educated and intelligent, and has traveled throughout the United States and most of Europe demonstrating and most of Europe, demonstrating as a bicycle rider, the strength and reliability of the American type of wheel.

Bliss is feet 2 inches tall, but so immense in other dimensions that his unusual stature is scarcely noticeable. Notwithstanding his ponderosity, he is active and quick on his feet and is able to give a hot race to the average wheelman of normal weight.

THE GOOD ROADS AGITATION. So much racing talk is in the air that the good roads work of the L. A. W. has been heard of but little. It is, however, going forward steadily. A million pamphlets are now being pre-pared by the department of agriculture in Washington. The matter for the pamphlets has been furnished by the national road committee, but the pub lication of the matter will not cost the league a cent.

ON MUDDY ROADS.

Propanty no caution has been uttered oftener to novices on muddy roads. Probably no caution than the one bidding them to slacken their chains in wet weather. Yet it is astonishing to see the number on muddy roads who are either ignorant or heedless of this important injunction. With the chain running exposed it takes but a very short time for it to become so clogged by grit between the links that it tightens up and makes the wheel run very hard. The commonest cause for chain breaking is that they have grown tight between the sprockets owing to dust and mud. SPOKES.

E. C. Bald will begin training this week at the Fountain Ferry track, at Louisville Montreal is to have two new bicycle tracks this year, one at Verdun and the other at Lepine Park. Racing men are disposed to return to small gear sprockets for their track

wheels. Several prominent makers are openly fighting the big sprocket craze as a fallacy.

GEORGE BRADFORD'S WIFE DEAD Guelph Mercury, Monday: The sympathy of the many friends of Mr. Geo. Bradford, a popular member of the Maple Leaf baseball club will be extended to him in the bereavement he sustains by the sudden demise of his wife. Mrs. Bradford was in her usual health on Saturday. On that afternoon she returned to her home about halfpast five o'clock, after doing her shopping. Half an hour later she was found on the floor in one of the bedrooms, suffering from convulsions. A physician was summoned immediately, but she did not recover, and the spells continued until half-past eight c'clock this morning, when her death occurred. The deceased leaves, besides her husband, one child, a boy about 3 years of age.

FLYS. Secretary Davis, of the International League, has received a letter from Manager Murphy, of the Port Huron team, stating that the club would have no difficulty in raising sufficient money to run the team .- Hamilton Spectator. Fred Schmitt, an old-time pitcher, has declared that Jimmy Ryan cannot play in the Chicago sun field because he has blue eyes. The veteran says that blue or gray eyes cannot stand the sun, which does not bother black or brown eyes. Jimmy Ryan says that Schmitt is crazy.

ROD. The Duchess of Bedford, who had been fishing in Scotland, captured a 26-pound salmon.

A SMALLPOX SCARE

Cost Windsor a Pretty Heavy Bill. Windsor, March 22 .- Dr. Carney says that the sickness of Ed Maloney, confined 30 days in the contagious diseases house, was not smallpox. However that may be, everybody concerned with it seems to have been charging smallpox rates for his esteemed services. The attending physician collected \$197, charging \$5 a visit. The "skilled" nurse (a colored man named Tom Davis) collected \$85 50 for his services. The rest of the cash went for other visits and

incidentals. There is a general feeling abroad that the next time the city has a smallpox scare, care should be taken to determine whether the trouble is smallman trainer of race horses. This is an Englishwoman. Mrs. Chaloner, the widow and the sister of well-known cooks resulting in a mess of spoiled

dwelling house. The authorities had thought it would be an easy matter to remove the building to another site. They overlooked a section in the act, which requires that when a smallpox patient has been inside the building, nothing remains but to burn it down and build a new one. Dr. Carney maintains that the man had only measles. In that case the building may be removed. The board of health maintains that it was smallpox.
