The latest phase of the punishment being meted out occurred today, when thousands of troops engaged in a drive which resulted in the ounding up for internment of 400 Movillages just inside the provincial dobeen among the most troublesome of the tribesmen living in the independent territory between the Northwest Frontier Province of Afghanistan. A year ago in the Peshawara district. As a penalty they were forbidden to enter the province to trade. Angered by this, they began to threaten war, and several fights actually did take place. Sent Back Over Border.

At this time there were a large numer of Mohamands living in British teritory. After the declaration of hostilities by their brothers at home, most of these Government guests were sent across the border. Sir George Ross-Keppel, chief commissioner for the forthwest Frontier Province, then put along the Mohamand border a line of rbed-wire entanglements, intersected ith strongly-guarded blockhouses. FINANCIAL AND COMMERCIAL | THE NORTHERN LIFE

ASSURANCE COMPANY OF CANADA

HEAD OFFICE: LONDON, ONT. Reason for Life Insurance

If a man really finds that after an the family bills are paid there is no money left for life insurance, he must still face the stubborn fact that sometime his labors must cease. If it was hard to meet bills with him, will it be easier without his earnings? Whence then will come the family support? Better cut down the scale of living and put the saving into insurance.
