Chicago-Flack opened with a line single to left. Hollocher forced Flack, Nationals put the world's series on a fifty-fifty basis today by defeating the Boston Red Sox, 3 to 1, in a good old-fashioned game of baseball.

Tyler, pitching for Chicago, was the hero of the contest, for he projected a steady stream of bafflers, and capped to the climax by shooting a single over the climate that the state of the chicagoans, who had counted the game was of the chicagoans, who had counted the game was of the chicagoans, who had counted the game was of the chicagoans, who had counted the game was over the chicagoans, who had counted the game was over the chicagoans, who had counted the game was over the chicagoans, who had counted the game was over the chicagoans, who had counted the game was over the chicagoans, who had counted the game was over the exits.

The Cubs threatened again in the sixth, but the cloud did not develop rain. Hollocher hit into a triple. He never got far, however, for Boston rallied heroically. The infield drew in and Mann was out, Scott to McInnis, Hollocher hardly having a chance to move off the third sack. He tried to register on Paskert's grounder, but Scott's sharp throw was ahead of him. Paskert was safe and Merkle singled, but a miss fire double steal from the Boston sky.

Chicago—Merkle walked. Pick dumped a swinging bunt down the third-base litne, and when Thomas missed the ball, the official scorers called it a hit. Merkle went to second. Deal popped to Shean. Killifer hit to right for two bases, Merkle scoring and Pick went to third. This was the first extra-base hit of the series. Tyler singled over second, scoring Pick and Killifer. He tried to reach second on the throw to the plate, but was out, Strunk to Agnew to Scott. Flack hit to McInnis and beat the first baseman to the bag. McInnis made no attempt to throw to Bush who was running to cover first. On Flack's attempt ning to cover first. On Flack's attempt to steal Agnew threw high and wide, Boston started the second inning with but the runner overslid the bag and the confidence of champions, and for a Shean tagged him. Whiteman, whose bat was efficacious yesterday, was awarded a pass. Killifer and Tyler collided over McInnis' bunt and both were safe. It was on this occasion that Surgeon Tyler began work on Killifer's eye. Both were advanced an additional base by Scott's sacrifice, and Thomas came to bat. His best was a drive to Pick, who threw Whiteman out at the plate. The fighting blood of both teams was up from the beginning. Umpires were growled and snapped at; the crowd grew partisan, and away down in the depths of the Boston bombproof. Knabe, Chicago coach, and Wagner, coaching for Boston got into a fight. Next Week. RIDGETOWN RINK IS **VICTORIOUS IN LAWN BOWLING TOURNEY**

Ridgetown, Sept. 6.—The singles championship competition held here by the bowling club proved a highly successful affair. Many entries were made, most of the towns in Western Ontario being represented, and the play was much enjoyed.

The first event emblematic of the championship of Ontario was won by Ralph Dauphin of Ridgetown, after a battle royal with Father Forster, also of Ridgetown. Fred Allen, the only representative from London, was not up to form, losing the first two games played, and then, after winning one game, was defeated by J. Hannan of Wheatley.

A consolation event was put on for the losers of the first two games, and was won by W. J. Taylor of Ridgetown, who defeated Hannan in the finals by a score of 14 to 7. The second event brought out some of the best plays of the day, strong players of different towns getting into their stride and putting up consistent fights. Semifinals in this event brought together John Dovan of Thamesville and W. Colwell of Waliacchurg, while R. Clark and John Bawden, Ridgetown, were the other two. Bawden and Colwell were the winners, and in the finals the latter got the decision by a score of 16 to 9.

Former London Southpaw Will Be Worked Against the Locals.

Toronto Leafs will work their regular line-up in the contest against the W. O. R. this afternoon. Furthermore, Bobby Heck, the best hurier London ever possessed, and, for that matter, one of the strongest pitchers that ever belonged to the old Canadian League, will do the hurling for the champions against the local soldiers. The fact that Heck is stated to do the mound work should be an added incentive for local fans to turn out in large numbers. George ("Mooney") Gibson will probably do the receiving for the locals, and it is likely that Dumond or Winters of the soldiers will do the slab-k work. AKRON, Ohio, Sept. 6.—It required 17 heats to complete the unfinished races from Wednesday and the three events postponed from Thursday at the Fountain Park track this afternoon. Burt Squires was out behind Judge Bingen, and Harry Gray was behind Halbrink, when Alliepage and J. W. Brinkerhoff made a welrd drive in the Bingen won, and Squires was awarded \$25. Page and Brinkerhoff were each fined \$50. They jogged around the track their barnstorming trip to date, and it remains with the W. O. R. to break

Before the races yesterday the impression was general that the card was a picnic for S. C. Hildreth. He was expected to win three events, with Poacher, Regal Lodge and Deckmate, but Regal Lodge was the only one to succeed. Poacher, a 1 to 4 favorite, bled, and was beaten by Gamecock, while Deckmate got down in front, only to be disqualified for an unnecessary foul committed by J. Bell, and which caused the rider to be set down for the meeting.

WESTERN UNIVERSITY AND CARLING CAMP LIKELY TO ORGANIZE FOOTBALL TEAMS

Good Material Among Soldiers for First-Rate Rugby Squad -Basketball Will Flourish During Autumn and Winter Months.

Although interest in many forms of athleticism appears to be on the wane in various sections of Canada, autumn sports are likely to be held as usual in this city. Indications point to the formation of a rugby team at Carling formation of a rugby team at Carling of the Western Liversity. Material at the camp is of a high calibre for rugby. The only factor that may act as a deterrent is the steady BOAT RACING LAURELS departure of drafts from this military district. Major C. O. Fairbank, who has promoted athletics at Carling Heights, more perhaps than any other individual, voiced the opinion that a nilitary rugby team would be organized. He pointed out, however, that many of the football players will be today's heat. leaving for overseas later on in the season and this would necessarily disrupt the contemplated rugby team.

Might Form League. Should Kingston and Toronto military districts organize representative football fourteens, the London district is certain to follow suit. It may be mentioned here, that the formation of an inter-district ruby-football league would assist materially toward greater interest among the soldiers in this connection. Unless unforeseen impediments crop up, Western University will re-organize a ruby squad. Last year the timetable of the varsity seriously interfered with practices of the team. This objectionable feature may be eliminated this year, however Should a team be organized, it will have to go to Hamilton and Toronto for games. The Guelph Agricultural College and Woodstock and Brantford teams could hardly be expected to offer serious competition, and if good football is to be had the local college will be ferced to take on aggregations further east.
