Pine cough syrups are combinations of pine and syrup. The "syrup" part is usually plain sugar syrup.

To make the best pine cough remedy that money can buy, put 2½ ounces of Pinex (50 cents worth) in a 16-oz. bottle, and fill up with home-made sugar syrup. Or you can use clarified molasses, honey, or corn syrup, instead of sugar syrup. Either way, you make 16 ounces—more than you can buy ready-made for \$2.50. It is pure, good and very pleasant—children like it.

You can feel this take hold of a cough or cold in a way that means business. The cough may be dry, hoarse and tight, or may be persistently loose from the formation of phlegm. The cause is the same—inflamed membranes—and this Pinex and Syrup combination will stop it—usually in 24 hours or less. Splendid, too, for bronchial asthma, hoarseness, or any ordinary throat ailment.

ave such another opportunity to show ur gratitude to those who made Nomember 11, the happiest day instead of the bitterest day in our history. Let us remember what these boys are brought us, at the cost of life and imb. There are 1,000 of these por ellows coming to the new hospital in ondon. We want to give them a royal release and a comfortable home.

our first care is to convince ourselves that there still is work to do. Busy hands and generous purses are needed yet, and will be needed for a long time to come.

L. J. Sutton, inspector of agencies of the Moose Jaw Daily News, and a returned veteran, is spending his Christmas vacation with relatives in making a total of \$1,570.17; and leaving cash on hand \$34.19 plus \$222.00 due from council.

The shipping committee reported eight shipments to Red Cross head-quarters at Toronto and London, which consisted of 1,382 pairs socks, 1 red and white quilt, 1 pair pillows, 2 pairs pillow cases, 1 shirt, 1 dozen T. bandages, 1 package old linen.

To 47th Battallon for Lambton boys, 145 pairs socks and \$30 worth tobacco. To Brigden phoys overseas, 83 pairs socks. To "Girl Helpers" for sallors comforts, 14 pairs; for our "lonelies" pairs on hand. A total of 1,719 pairs che pairs to the year.

The amount of money raised during the past years. Under the auspices of the Overseas Chapter, I. O. D. E., a delightful dance was given in the Masonic Temple last evening. It was the usual weekly khaki dance, but from now on the dances will be open to civilians also. The Tony Cortese Orchestra rendered charming dance music. Mrs. A. H. Clinger was the general convener of the dance.

POPLAR HILL CHRISTMAS SHOWER.

At the last meeting of the Women's Institute and Red Cross Society it was decided to hold a Christmas shower for the returned soldiers of the Convalescent Hospital in London. Those persons Christmas cake, candy, handkerchiefs, magazines, fruit, or any article a soldiers would appreciate for Christmas, the requested to leave the same at the mome of Mrs. D. Graham, Poplar Hill, any time before December 18.

This society since the last meeting as shipped to Hyman Hall 74 pairs of socks and 11 pylama suits. They are of present sewing for the refugees in THEDFORD W. I.

The Women's Institute held its regular monthly meeting in the rest room, with a good attendance. Mrs. John d. Campbell, con. 6, gave a splendid paper on "Extra, Ultra, Clean Women," which was very much appreciated by all. The institute intends to continue collecting the penny bags to raise funds to go'on with sewing for the refugees. Here's Something to Gossip About.

Next in importance comes the \$75,000 campaign for funds which is to be
launched in London city early in the
new year. Every Red Cross worker
can be an advertising agent for this
big day. Let us all talk about it every
day and all day from new until January. You may have heard it said that
women are prone to talk—well here is
a good subject to discuss between
