"KEEPING UP WITH THE JONESES" AT THE GRAND TONIGHT, TOMORROW AND SATURDAY.
Mr. Hill has scored another success with "Keeping Up with the Joneses," a musical comedy, based on the popular comic of Pop Momand. Wedded to some of the most tuneful music, this brand new comedy will hold forth at the Grand Friday and Saturday with the customary matinee. Girls, and plenty of them, are quite conspicuous and do a lot toward making the offering successful. Built and written for laughing purposes exclusively this brand of entertainment promises a most satisfactory performance.

YOUR LAST CHANCE TO SEE "IN OLD KENTUCKY" AT THE ALLEN.
Today is your last chance to see the big thrilling screen spectacle "In Old Kentucky" at the Allen. Packed full of thrills from start to finish and with one of the screen's most beautiful stars in the leading role, the picture is one of those great successes which appeals to every taste. From the fierce fight between the moonshiners and the law agents, the midnight ride of the horse of masked men after the mountain girl's lover, the leap for death over the yawning chasm, and the greatest thrill of all, the big race scene, when Madge takes the place of the jockey at the last moment and rides the big thoroughbred Queen Bee to victory in the famous Kentucky turf meet, make you gasp with excitement. Special musical settings and added film attractions complete this special program.

AT LOEW'S.
Another Charles Ray winner comes to Loew's for the next three days. It's "The Egg Crate Warrior"—one of those heart-warming Ray joy-fests with a big punch at the end. Thomas H. Ince produced it, and it's a Paramount-Artcraft. You know what that means in pictures. It's all about Jim Kelly who started out in life wrestling egg crates in the country and won the girl and the fortune in the prize ring. You'll want to jump right up in your seat and give three cheers when Charlie clips the slick city slicker on the chin for the count. Better come early—the good seats go early, and don't forget the matinee.

The vaudeville brings one of the season's snappiest offerings in Julian Hall

and company, in "Snap Shots," a sparkling diversion of music, charm and youth. Five pretty misses in charming gowns, who sing, dance and give an offering of the latest in jazzopation are included in this pretentious classic. Cardo and Noli, America's foremost tenor and prima donna, will offer a melange of classical and popular musical gems, that should be one of the best

Simple Home Treatment to Remove Hairy Growths

(Beauty Culture.)
Two or three minutes' use of a delicate paste will banish every bit of hair from your face, neck or arms. This paste is made by mixing some water with powdered delatone. After the paste is removed, the skin should be washed to free it from the remaining delatone and it will be clear and spotless. You will not be disappointed with this treatment if you are sure to obtain real delatone from your druggist.—Adv.

Claims Dandruff Will Cause Baldness

If you have dandruff you must get rid of it quick—it's positively dangerous and will surely ruin your hair if you don't.

Dandruff heads mean faded, brittle, scraggly hair that finally dies—new hair will not grow—then you are hairless and nothing can help you.

The sure way to abolish dandruff for good is to destroy the germ that causes it. To do this quickly, safely and without risking a penny get from your druggist some Parian sage (liquid form). This is guaranteed to banish all dandruff, stop itching scalp, check falling hair, and promote a new growth, or the cost, small as it is, will be refunded.

Parian sage is a scientific preparation that supplies hair needs—an antiseptic liquid neither sticky or greasy, easy to apply and delicately perfumed.

If you want beautiful, soft, thick, lustrous hair, and lots of it, by all means use Parian sage. Don't delay—begin tonight—a little attention now helps insure abundant hair for years to come.

bits of the bill. Sherman and Rose, in a novel dance ideas, Harry Antrim, an odd fellow with a heap of odd songs and stories, and Sue Creighton, late of Al Jolson's Sinbad, assisted by her

clever and talented sister, will offer a neat turn of catchy tune, styles and syncopation. A Carter De Haven comic, and Loew's Pictorial will complete the bill.

TWO weeks ago last Saturday a lady and gentleman from a neighboring city came into our downtown store, asked to see a diamond, and after a thorough inspection of both our mounted and unmounted stones, chose a beautiful unmounted gem, amounting to several hundred dollars. Almost the entire afternoon was spent with one of our diamond men in the selection of this stone.

On his way out, the gentleman turned, shook hands with the salesman, and said: "I appreciate very much the personal interest you took in my selection of this stone. On the train, as we were coming to London, we were undecided just where to purchase, but, on seeing your advertisement in the paper, decided to come here. I am more than pleased with my selection and with the way you have treated us."

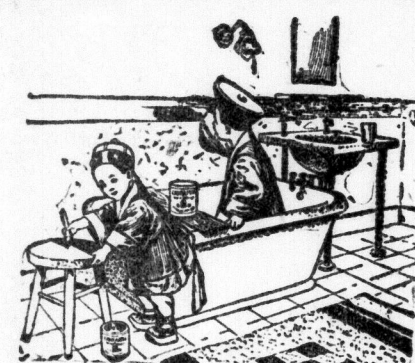

We mention this instance just because it bears out our belief that "a pleased customer is our best advertisement." That man is now our lifelong friend, and will make many new friends for us. We want you to feel just the same as this man does in all your dealings with us.
