"It is my firm opinion that if the railway were carried on under municipal control, a fare not exceeding 2 1-2 cents would more than suffice to defray all expenses of operation and maintenance." he said.

pointed Cardinal Francesco Segna to be prefect of the index. The cardinal The mayor was convinced that a thoro reorganization of the works de-partment was needed, and the city enwas a favorite with Cardinal Ram-polla during the time this prelate held gineer should be asked to report on a scheme providing for "his own release the post of secretary of state, and he is considered to be quite reactionary from the details of his office and greater efficiency and expedition in the carying out of public improvements. It was evident that the audit department needed strengthening. It should sion of the Prussian Landtag, Min-ister of the Interior Von Moltke said

independent of the city treasurer's department. I would strongly recommend that immediate steps be taken towards the appointment of a chartered accountant of eminence, whose duty it shall be o look into and report upon the method of bookkeening in vogue by the various denartments, with a view to recommending such changes as to him may seem best calculated to meet the particular needs of each department,

he added. The system of collecting rentals from civic properties needed improvement, as appeared that collections were made by the assessment, parks and property urer should do all the collecting and promptly report delinquents to the board of control. The mayor favored a parks commission of unsalaried members and a com-prehensive scheme for parks and drive-

ways should be prepared, but in the The big purchase of Shoes amounting to \$48,000 goes on sale at McKendry's, at half the regular prices. Watch Wednesday World and Tuesday evening papers.

WEDNESDAY IS LADIES' DAY

Great Alteration Sale

To-morrow we will be prepared for the Ladies-ready with the greatest bargains in Boys' and Youths' Clothing, Hats and Furnishings ever seen in this city. Extra salespeople to serve you promptly and politely. And remember that anything purchased during this sale may be exchanged or money refunded. That's one of our ideas of a "square deal" to our patrons. Another one is—our store will close promptly at 6 p. m. We will not keep open evenings: that's a "square deal" to our employes.

There's a reason for the success of this Great Sale. Ask your neighbors---or come yourself.
