YET ANOTHER CHILD BEATEN

McLaughlin Boy at His Work Last Fall WAS TRAGED THEN

Reported to Police and Taken to Court—Had Misused Little Five-year-old Freddie Wisted of St. David Street

Although no definite date has been set for the preliminary hearing of Chas. T. McLaughlin, the 16-year-old boy, charged with a series of assaults on children, and with carrying a loaded revolver, it is thought that tomorrow will be the beginning of it.

MT. ALLISON ACADEMY GRADUATES

Anniversary Exercises This Afternoon—The List—Excellent Concert in Fawcett Memorial Hall This Morning

St. John, N. B., May 30.—(Special)—The concert in Charles Fawcett Memorial hall this morning was attended by many and greatly enjoyed. The performers were students of Mount Allison Ladies' College.

ESTRADA'S TROOPS REPULSE THE NICARAGUAN ARMY; LOSSES HEAVY

Bluefields, Nicaragua, May 28.—Although the forces of President Madriz gained a victory yesterday over the troops of General Estrada and captured Bluefields Blue, which was garrisoned by a small section of the provisional army, Estrada's day succeeded in repulsing the enemy with heavy losses.

CHEERY NEWS FOR THE DISPECTIC

COMPULSORY EDUCATION IN MONCTON

City Council Likely to Pass Favorably on It—May Get Campbellton Industry When Natural Gas is Ready

Moncton, N. B., May 30.—(Special)—The city council will hold a special meeting tonight to consider bringing compulsory education into force in this city. It is probable that resolutions will be adopted, as at the last meeting nearly all the aldermen were in favor of it.

Electricity to Do Much in Doctors' Work A LEADER'S VIEWS

Sir James Grant Says Only Commencement Has Been Seen—Next Empire Day Suggested for Coronation—The Betting on the English Derby

London, May 30.—Sir James Grant, in an interview, states that the action of electricity on the human system is only in its infancy, and the day is not far distant when thousands who suffer debility as the result of imperfect assimilation of food or defective power in the blood, will have such deficiencies remedied to a remarkable degree by scientific application of electricity.

RUSH TO EUROPE IS IN FULL SWING

More Than 17,000 People Engage Passage From New York At Cost of \$3,000,000

New York, May 28.—The grand rush for Europe is now in full swing and thousands of people from all over the United States are moving on to this port to go abroad.

FEAR THERE WAS FOUL PLAY

Death of Richard Rock Followed Carousal of Men and Women—He Was Struck on Head

Toronto, May 30.—(Special)—When Richard Rock was found dead beneath an eighty foot bridge at St. Thomas a week ago, it was thought he had fallen from the bridge and been killed, but recent investigation shows that the young man was carousing with a party of men and women the night before his death and they say a row occurred a quarter of a mile from the bridge and that Kilburn, one of the party, struck Rock with his open fist.

DUNDONALD'S PLAN TO SAVE EMIGRANTS FROM BRITAIN FOR THE EMPIRE

Conference at Royal Colonial Institute to Consider Stream Now Going from Under the Flag—Would Have Great Centres of Population in England Acquire Lands in Colonies

The conference convened by the Royal Colonial Institute, was opened today. The object is to consider the question of diverting the stream of British emigration, now going on outside the empire and the question of emigration generally, from the United Kingdom to British dominions overseas.

CURTISS OUTDID THEM ALL

His Air Flight the Most Remarkable Yet Made and Demonstrates That Aviator Can Land Where He Pleases

New York, May 30.—The flight of Glenn H. Curtiss from Albany to New York in an aeroplane, 137 miles in 132 minutes, was today conceded to be the most remarkable trip ever made, authorities agreeing that his journey demonstrated the availability of the aeroplane in cross-country flights of indefinite length and any direction.

MEMORIAL DAY MAY BE ABOLISHED; TOO MUCH LIKE FOURTH

Two Coaches and Two Box Cars off—Accident Said to Be Slightly Hurt

Boston, May 30.—Because of the present manner of observance, the question of abolishing Memorial Day is being considered by members of the Grand Army of the Republic. Commandant J. Willard G. A. R. declared that a movement to this end is gathering strength, and that this end is being introduced at the coming national encampment in Avon, Conn., in 1911.

JOHNSON GETS DELANEY AFTER ALL

Veteran Trainer and Koffman to Join Negro's Staff This Week

San Francisco, May 30.—The latest announcement from Jack Johnson's camp is that negotiations for the supervisory services of the veteran trainer, Billy Delaney, have been concluded and that he and Al Kaufman will be installed in Johnson's quarters tomorrow or Wednesday. Johnson says that Delaney has agreed to oversee his training along with the job of managing Kaufman and that from now on until the date of the big fight Delaney will have the say regarding his preparations for his meeting with Jeffries.

1,400 Men Lose Work

Toledo, May 29.—Fourteen hundred men were thrown out of employment here yesterday at the National Malleable Casting Company plant when seventy of the moulder department struck for higher wages. The company shut down the plant. It is expected that they will reopen this week.

Death of Richard Rock Followed Carousal of Men and Women—He Was Struck on Head

Toronto, May 30.—(Special)—When Richard Rock was found dead beneath an eighty foot bridge at St. Thomas a week ago, it was thought he had fallen from the bridge and been killed, but recent investigation shows that the young man was carousing with a party of men and women the night before his death and they say a row occurred a quarter of a mile from the bridge and that Kilburn, one of the party, struck Rock with his open fist.

NORTH SHORE LOGS COME OUT

Conditions Much Improved by Rain of Last Week, But There Will Be Some Hang-ups

Chatham, N. B., May 30.—(Special)—The rain of last week has improved logging conditions a great deal. The water in many of the brooks and branches of the Miramichi has risen two feet, while the water in the main river has come up eighteen inches at Pointe-au-Loup. Many of the drives which it was not expected would get out until the end of next week are out already, owing to the improved conditions.

THEY SNORED AND IT WAS THEIR UNDOING

Two Strolling Wayfarers, John McLaughlin and Joseph Carr, Chose Spots in the C. P. R. Yard Last Night for Their Abode, but the Sonorous Notes which emanated from their resting places woke the ear of Policeman Alex. Crawford, and as a result they faced Judge Ritchie this morning on a charge of lying and lurking in the yard. Both pleaded guilty. McDonald was ordered out of town and his companion was released.

TRAIN DERAILED ON WOODSTOCK BRANCH

Two Coaches and Two Box Cars off—Accident Said to Be Slightly Hurt

Four cars were derailed and one woman slightly injured in an accident on the Woodstock division of the C. P. R. Black River, Tuesday morning. The name of the woman could not be learned but it was said that she was a member of a theatrical troupe that was travelling on the train.

UP RIVER LOG REPORT BETTER

Hope for Some of the Logs Abandoned Two Weeks Ago—Government Work Over Railway Route

Fredrickton, May 30.—(Special)—The water in the river here has risen about two feet since Friday and it is thought there is good prospects that the lumber drives, abandoned at Black River, Tuesday two weeks ago, will get into the corporation limits. It has been raining hard at Black River for several days. The first section of the Corporation drive will reach the boom limits at noon today. A party employed by Surveyor General Grimmer, C. H. Chestnut, F. H. Edgcombe, W. S. Edgcombe, E. H. Slips, J. P. and D. F. Maxwell, C. E. are making an automobile trip over the route of the proposed valley railway between this city and Centreville. Premier Hazen had intended to be one of the party.

GENTLEMAN OF HARRIET BEECHER STOWE'S BIRTH

Washington, May 30.—A movement has been started here for the appropriate celebration of the 100th anniversary of the birth of Harriet Beecher Stowe, on June 14, 1811. In honor of the memory of the author of the famous "Uncle Tom's Cabin" the bridge and Stove families have heartily concurred. The Negroes of the United States will give prominence to the celebration.

MRS. C. F. K. DIBBLEE OF WOODSTOCK, DEAD

Woodstock, N. B., May 30.—(Special)—Aldice C. K. Dibblee, wife of Charles F. K. Dibblee, C. E., died this morning after an illness of more than a year. She was in her 64th year and was born in Maugeville, and was known throughout this community for the kindness and charity which she extended to all in trouble.

SNOW IN MANITOBA BUT WHEAT GROWERS ARE NOT WORRIED

Winnipeg, May 30.—(Special)—After an oppressively hot Friday in which the wind was cold, with snow and sleet at night, wheat growers say, however, that the crop is not injured but will secure good root and when the warm weather comes the growth will be all more rapid.

Winnipeg, May 30.—(Special)—After an oppressively hot Friday in which the wind was cold, with snow and sleet at night, wheat growers say, however, that the crop is not injured but will secure good root and when the warm weather comes the growth will be all more rapid.

DRY DOCK FOR VANCOUVER

Ottawa, May 29.—The first definite proposal for a dry dock subsidy, under the amended legislation of last session, has been filed at the public works department, by the Imperial Car Shipbuilding & Dry Dock Company, of Vancouver. It is expected that a contract will be concluded soon.

TAFI IN NEW YORK FOR VETERANS' PARADE

New York, May 30.—President Taft arrived here this morning to take part in the memorial day services and to review the parade. Ideal weather prevailed. Enormous crowds were drawn to the streets and avenues through which marched the patriotically fervent veterans of the Union Army. A great host was massed about the stand at soldiers and sailors monument in Riverside Drive, where President Taft watched the grand army march and military organizations pass in review.

PRESCOTT LUMBER DEAL IS COMPLETED; ABOUT \$100,000

An important lumber deal was consummated on Saturday last when the timber limits, lumber mills and general mercantile business of the Prescott Lumber Co., at Albert, Alberta, passed into the control of the Eastern Canada Lumber and Construction Company, Ltd., of New York. The purchase price was something more than \$100,000.
