Winners Outplay And Shut Out League Leaders

PITTSBURG, Pa., March 16-The Pirates earned their place in the playoff for the championship of the National Hockey League, when they defeated the Ottawa Senators by a score of 2 to 0, in a brilliant game. They scored more goals last night than they did in the previous five games with the Senators, who had held them to one goal all season.

goal all season.

The locals displayed the finest form of the season. They played as if inspired and they outclassed Ottawa both on the offensive and defence. Everything was staked on the outcome and they played with reckless abandon. They were out to win. It was their big offensive in the opening period which carried them to victory.

Ottawa was swept off its feet by the vicious attack of the home team, and they were unable to break down their advances.

Both goals were the result of bril-

and they were unable to break and their advances.

Both goals were the result of brilliant combination play, something which has been lacking all season.

The straegy of Odia Cleghorn, Pirates' leader, asserted itself. He kept rusing in fresh men on the ice every few minutes, and they set the pacc. For a time the visitors were able to cope with them, but finally the strain of the terrific pace told on them. A let up proved distastrous. Fourteen minutes of play had elapsed in the opening stanza, when Conacher and McCurry combined, Conacher scoring. Conacher got the next on a rebound

Mand, Delaney hooked with his left and followed with his crushing right, catching McTigue over the heart and flooring him. The veteran rose to one knee and patiently waited for the eighth count to be registered before he regained his feet. Scenting a quick finish, Delaney rushed McTigue to the ropes and with both fists flying with trip-hammer force the French-Canadian pumped punishment at his foe. McTigue went down again for rune and Tigue went down again for nine and then rose on unsteady feet.

Champions Clearly Display Superiority In All Departments

The Nationals won the city international hockey championship by defeating the Trojans very decisively last night at the Arena by a score of 7 to 0, making their total in the two games of the series 12 to 2. The winning team outskated and outplayed the losers in every department of the game.

Contrary to expectation the winning six started out in the first period determined to increase their lead rather than play defensive hockey. The result of their tactics was that in less than one minute the Nationals had made their lead four instead of three, when Ross hooked in a rebound. They scored another goal in /less than two minutes more. night at the Arena by a score of 7 to

There was no further scoring during that period and the Trojans tried hard to break through the other defence which was excellent. Every attack on the other cage was thrust aside by good checking.

SECOND PERIOD The second period saw the winners increase their lead by three more well-earned goals. The all round playing of Monteith in this period was outstanding. He literally skated the Trojan forwards line off their feet.

In the third period the Nationals got two very lucky goals and, although the Trojans played better combination than they had in the first two sessions, they were beaten by superior goal tending
