MAKE MEMORIAL A PERPETUAL ONE

Oshawa, Ont., Aug. 27—A plan to make the soldiers' memorial in Oshawa a perpetual one has been devised by Dr. T. E. Kaiser, of this city, who yesterday launched a scheme whereby the monument now being erected in memory of Oshawa's soldier dead, will be replaced five hundred years hence. The architect and builder of "The Garden of the Unforgotten," the name of the local memorial, stated that it will last for at least five centuries. Least the people living at that time will have forgotten the great war and the part the citizens of Oshawa played in it, Dr. Kaiser is depositing \$1 in the bank here, with instructions to let it accumulate for five hundred years.
