Fall of the Silk Shirt.

The higher they go the harder they fall is a time-worn maxim, that fits them all; The wise or the fool, the king or the clown— Whatever goes up some time must come down. Lo! the fancy shirt that became too dear For a longshoreman or a profligate Has fallen so far from its high estate That a clerk or a lawyer may buy its mate.

"The Five Pests"

We once read that these were the five worst aggravations that a man could experience—

A balky horse—a blunt razor—a fractious child—a jealous wife—and a watch that wouldn't go.

We do not all own horses, and neither are we perpetually shaving. We can even get temporary leave of absence from the other two, but we can never get away from the annoyance of an unreliable watch.

Birks Watches are all good, honest and faithful servants and—

"Guaranteed, of course."

No. 991011—A good quality gold filled case and leather strap and with a Birks Guaranteed movement, costs from \$20.00.
