### It is Every Man's Ambition to Own His Own Home

#### Read This!

#### It Tells of Your Opportunity

The ambition of every home-loving man is to own his own home, to free himself of the regular monthly rent burden, become independent, give his family the right to live as they should live, his children every opportunity to grow up under the best environment. These conditions cannot be found in the crowded tenement districts of every city. Therefore, what has a man to do to realize his ambition?

Take an opportunity, pick out a lot of land in a good section within a short distance of the city, where land values are increasing and street car line has been extended, then arrange to purchase on easy terms and build a home according to his own requirements.

With little money you can start building a home paying the way to independence and realizing your ambition of "Owning Your Own Home." Call in and see us. We will be pleased to give you particulars of our Great Marsh Road lots and also show you how you can collect rent instead of paying it, thus having money coming in instead of money going out.

#### Royally Done

A refreshing little incident of royalty without its crown was reported recently.

Accompanied only by his dog, the old King of Wurttemberg takes many long walks along the shores of Lake Constance during the summer. Recently he crossed in a little tourist steamer to Horschach, on the Swiss shore. As a simple traveler he entered a restaurant and ordered a sandwich.
