Miramichi Advance,

HATHAM. - - - - JUNE 9, 1881 The Miramichi-Its Destroyers ! There is a general and well-defined seling on the Miramichi that the time has arrived when steps should be taken to prevent the destruction of our river fisheries, as well as serious interference with navigation, both of which are a few days since, observed a

structive work of previous seasons. up in almost any part of the stream some places, the surface was completely

partment. We have heard several millowners blamed for disregarding the law, butfas they are encouraged in doing so by the negligence of those who should see that they are prevented or

net of some poor fisherman who has been deprived of his fishing-privileges different creatures altogether before the mill-owner, who does more damage to the fisheries of the river in a day than could be done with fifty nets set without license. It is the manifest duty of those who have the ear of the Government to bring this matter before it in order that the Marine and Fisheries Department may be moved to do the

duty which it has so long neglected. Our Fishermen.

Those who contend that the people of the Provinces do not seek the employment in the United States which is denied to them at home, will not find anything in the following item to support their position :-

GLOUCESTER, MASS., June 1.
The owners of the schr. "Carrie S.
Daigle" have given her up as lost. She
sailed from this port on a Western Bank trip March 15th, was spoken on the Banks in a leaky condition April 13th, the day previous to the gale, and was not heard from since. She had a crew of 12 men, as follows:—Richard Richard Ri ardson, master, married, leaves widow and children in Chester, N. S.: John F. and children in Chester, N. S.; John F. Devan, widow and four children in Nova Scotia; C. A. Bergman, a Swede, leaves a widow; Jeffrey Bushy, of Arichat; Thos. Milford, of Chester, N. S.; Edward Jedry, John McDonald, Annabel Landry, George W. Kinch and Eli

must tell against the system under which Canadian fishermen are a watery grave on the Western Bank while engaged in fishing in an American schooner hailing from Gloucester, nearly all belonged to fishing settlements in Nova Scotia. No better vessels for the fishing business than those of Chester could be found anywhere a few years ago, but the taxation under the National Policy bears so heavily on the ship-

It quotes freight and passenger rates, interests of the Miramichi should not be allowed to continue unnoticed and interests of the Miramichi should not be allowed to continue unnoticed and interests of the Miramichi should not be allowed to continue unnoticed and interests of the Miramichi should not be allowed to continue unnoticed and interests of the Miramichi should not be allowed to continue unnoticed and interests of the Miramichi should not be allowed to continue unnoticed and interests of the Miramichi should not be allowed to continue unnoticed and interests of the Miramichi should not be allowed to continue unnoticed and interests of the Miramichi should not be allowed to continue unnoticed and interests of the Miramichi should not be allowed to continue unnoticed and interests of the Miramichi should not be allowed to continue unnoticed and interests of the Miramichi should not be allowed to continue unnoticed and interests of the Miramichi should not be allowed to continue unnoticed and interests of the Miramichi should not be allowed to continue unnoticed and interests of the Miramichi should not be allowed to continue unnoticed and interests of the Miramichi should not be allowed to continue unnoticed and interests of the Miramichi should not be allowed to continue unnoticed and interests of the Miramichi should not be allowed to continue unnoticed and interests of the Miramichi should not be allowed to continue unnoticed and interests of the Miramichi should not be allowed to continue unnoticed and interests of the Miramichi should not be allowed to continue unnoticed and interests of the Miramichi should not be allowed to continue unnoticed and interests of the Miramichi should not be allowed to continue unnoticed and interests. To make out the Mackenzie Government.

On the other than the amount estimated by the Mackenzie Government.

In their control on business principles. It quotes freight and passenger rates, in announcing t

the officers who have suffered the destructive work to go on should be dealt with as their shameful neglect of duty demands. The day has gone by when either the press or officials should allow their personal regard for millowners to stand between the latter and the law. The other day when their day when their personal regard for millowners to stand between the latter and the law. The other day when the fishermen in St.

John harbour were openly violating the Fisheries Act almost under the criticisms with equal force to the Sun the officers who have suffered the destructive work to go on should be dealt reduced twenty per cent. The Sun the not the says:

He [Mr. Carmichael] has not the shadow of a chance of success IF the supporters of the Government in Pictou are at allowed their duties and interests. The other day when have suffered the personal regard for millowners to stand between the latter and the law.

The other day when fishermen in St.

John harbour were openly violating the Fisheries Act almost under the criticisms with equal force to the Government responsible for the expenditure of 1873-4, land they doing no injury. The police returned the fire, but what effect it is not known. A quarter of a mile further on they were again fred on by another armed party from beind some hedges, and one of the horses on which at the ratepayers of Pictou are at almost the reduced twenty per cent. The Sun adjoining wood, fortunately doing no injury. The police returned the fire, but with what effect it is not known. A quarter of a mile further on they were again fred on by another armed party from beind some hedges, and one of the horses on which is trively in the yield not take office until Novemburg in the produced twenty per cent. The field success of the government responsible to the fire to th

There is a rumour in Ministerial circlines past, Mr. McLelian seems to have cles that high imperial honors await looked out for himself rather than for the electors. Chosen by Colchester in 1867, the only sat in the House of Commons for age and remain in England as a Law about a year and a half. Then he went to the Senate and some offer the skull of another policeman standing.

Howeld be terroise. In a shound to therefore, In a shound to the sasture, as Mr. McLelian seems to have did not cease and as Capt. Slack after reading the riot act pronounced the words the Horise, it is enough to say of any expenditure it is uncontrollable; or when the skull of another policeman standing the following table, in which the control-level of the skull of another policeman standing the following table, in which the control-level of the skull of another policeman standing the following table, in which the control-level of the skull of another policeman standing the following table, in which the control-level of the skull of another policeman standing the following table, in which the control-level of the skull of another policeman standing the following table, in which the control-level of the skull of another policeman standing the following table, in which the control-level of the skull of another policeman standing the following table, in which the control-level of the skull of another policeman standing the following table, in which the control-level of the skull of another policeman standing the following table, in which the control-level of the skull of another policeman standing the following table, in which the control-level of the skull of another policeman standing the following table, in which the control-level of the skull of another policeman standing the following table, in which the control-level of the skull of another policeman standing the skull of ano Lord of the Privy Council, and representative of Canada.

The Telegraph says the salary attached to this position is £6,000, or \$30,
000 a year. The office is virtually a sine
to the Senate and soon after took a Railway Commissionership, at \$4,000 a year.

The police charged on the people with fixed bayonets and at the same time the cavalry dashed in among the crowd. As seen of frightful confusion followed. The controllable expenditure is much the Mackenzie Government managed public affairs, and the estimates for several controllable expenditure is much the Mackenzie Government managed public affairs, and the estimates for fixed bayonets and at the same time the cavalry dashed in among the crowd. As seen of frightful confusion followed. The
