WEDDING BELLS.

BELEYEA-MACALPINE.

A happy event took place at the residence of George MacAlpine, Lower Gagetown, on Tuesday morning, when his eldest daughter, Mary A., was united in marriage to James P. Beleyea. The ceremony was performed by Rev. David Long, of St. John, in the presence of a large number of friends. After luncheon Mr. and Mrs. Beleyea left by the steamer Victoria, via St. John, for Boston, where they will spend their honeymoon. The young couple will reside at Lower Gagetown.

NASH-RATLIDGE.

Herbert W. Nash, of London, (Eng.) and Miss A. M. Ratlidge, of this city, were married at 247 Charlotte street, on Monday evening. The Rev. Howard Sprague was the officiating minister.

NICHOLS-SPHAGUE.

This afternoon, at four o'clock, Miss Jean M. Sprague, daughter of Rev. Dr. Sprague, pastor of Queen Square Methodist church, was married to Henry Nichols, of New Bedford, at the residence of her father, 245 Charlotte street. Rev. Dr. Sprague performed the ceremony and only immediate relatives were present. The bride was dressed in a handsome blue broadcloth suit with white trim. She was attended by her cousin, Miss Gretchen Vroom, of St. Stephen, who wore a costume of grey voile. A light luncheon was served at the house immediately after the ceremony, and Mr. and Mrs. Nichols will leave by the Quebec express on a wedding trip which will include a visit through Nova Scotia. On their return they will reside at New Bedford.

MECAFERTY-MULLALY.

The Telegraph building was elaborately decorated this morning for its city editor, Francis McCafferty, who has been united in marriage to Miss Josie M. Mullaly, of the West Side. The ceremony was performed at the Church of the Assumption at five o'clock this

morning by Rev. Fr. Donovan, nuptial mass being celebrated. After the ceremony a dainty wedding breakfast was served at the residence of the bride's mother. Mr. and Mrs. McCafferty left on a wedding tour, which is to include an extended trip through the United States. On their return they will reside on Waterloo street.

Mr. McCafferty is one of the most popular young men in the newspaper business in St. John and his many friends, not only along newspaper row, but throughout the city, wish he and the lady of his choice every success in life. The bride is the daughter of Mrs. M. A. Mullaly and for some time had been employed in A. Gilmour's (alluring establishment). She will be attended by Miss Kate McCafferty, her cousin, while Geo. McCafferty, the groom's brother, will honor the occasion.

The wedding in which the young couple are held is evinced by the numerous and costly presents showered upon them. The directors of the Telegraph Co. presented a check, the staff a handsome set of carvers, his friends on the Sun and Star silver knives and forks. Miss Mullaly's old friends in Messrs. Gilmour's sent the bride a handsome present.

WOOD-NASH.

The marriage of James R. Wood, of Halifax, and Daisy Nash, daughter of S. C. Nash, inspector of inland revenue, took place this morning in Zion church, Charlottetown, by Rev. D. McLeod, assisted by Rev. Geo. Wood, brother of the groom, officiated. The bridesmaids were Susie Nash and Mabel Bremner, and the best man was Charles Wood. The church was beautifully decorated. The gifts were beautiful and abundant. Mr. and Mrs. Wood left for St. John and thence to Halifax to take steamer for their future home in Trinidad.

WILLING TO GO WITHOUT.

Henry Clews, perfectly bald, was once traveling on a western railroad. Sitting directly behind him was a coarse looking man with a rough shock of hair the color of brick dust. Tapping Mr. Clews on the shoulder, the fellow remarked: "Guess you wasn't around when they gave out the hair?" "Oh, yes," was the answer, "but I was a trifle late, and there was nothing left but that stuff you wear. I told them I'd rather have none."—New York Times.

EXIT THE SWORD.

No Longer to be Carried by Cavalry into Action.

(Special to the Star.)
OTTAWA, Ont., Sept. 1.—Lord Dunsford has decided to inaugurate at once modern tactics and new methods of instruction in the Canadian militia, based upon the lessons of the war in South Africa. A militia order just issued decrees the abolition of the sword as a cavalry weapon in the field and directs that cavalry drill be confined to the simplest methods, directed wholly to rendezvous formations, moving from place to place and getting men rapidly into position for dismounted work.

"All ranks," it says, "should be cautioned that they should during field operations never be on their horse's back if they can be off them."
Commenting upon the memorandum, Major General Lord Dunsford observes: "In the next war if a man wishes to see everything, take part in everything and get opportunities of fighting, the force to belong to is the new cavalry, whether they be called Hussars or dragoons or any other name."

MUNICIPALITIES LEAGUE.

Would Make Bonusing Illegal—Other Resolutions Adopted.

(Special to the Star.)
MONTREAL, Que., Sept. 16.—At today's meeting of the Union of Canadian Municipalities a resolution was adopted authorizing the establishment of an information bureau for the benefit of all municipalities. The executive will devise ways and means for the bureau.

The companies enjoying public franchises should submit their labor differences to arbitration, was the substance of a resolution proposed by Alderman Strout of Ottawa and Wheat of Charlottetown.
Another resolution adopted dealt with financial union. It seeks a plan by which towns may borrow on unimproved credit. The executive was authorized to prepare a suitable bill to be submitted to the various legislatures.

At the session tonight the union expressed disapproval of municipal bonusing and a resolution was passed asking the legislatures to make such a practice illegal.

ON THE LAKES.

Four Turret Steamers to Carry Grain for Canadian Northern.

(Special to the Star.)
TORONTO, Sept. 17.—The Turret Chief, the first steamer of the new Petersen grain carrying line to be operated in connection with the Canadian Northern Railway on the upper lakes between Port Arthur and Port Colborne, arrived here last night, up bound. Three others of these turret ships, each with capacity of 18,000 bushels of grain, are on the way up to carry out wheat this fall. The alliance between Petersen and President Macleod of the Canadian Northern is very close and the new line is expected to grow very rapidly.

CHINESE AFFAIRS.

Boxers Murder Eleven Converts and Are Not Punished.

PEKIN, Sept. 17.—The U. S. minister, Edwin H. Conger, has presented to the Chinese foreign office a letter from Dr. Canright, American missionary of Cheng-tu-fu (capital of the Province of Sze-Chuen), describing the massacre of native Christians there in July. Dr. Canright says that eleven converts were killed by the Boxers and that the local officials refused to take measures against the Boxers. The letters were then guarded by troops and were unable to leave the mission buildings except when escorted by soldiers. Dr. Canright's recent telegrams says the situation is worse. The native papers declare the trouble is due to the collection of excessive indemnities, and the Christians' arrogant attitude under foreign protection.

FOREIGN CABLES.

A Spanish Quarrel—Russian Army Manoeuvres and the Czar.

WILLEMSTAD, Island of Curacao, Sept. 17.—President Castro of Venezuela has retreated from Ocumare before the advance of the revolutionists. The Venezuelan government's situation is critical.
KURSK, Russia, Sept. 17.—The great Russian army manoeuvres closed yesterday. The czar, the grand dukes and four thousand officers subsequently lunched together on the manoeuvre ground. His majesty toasted the troops who participated in the operations.
MADRID, Sept. 17.—Senor A. Delantado, the Carlist leader, who was recently disowned by Don Carlos, has turned on the pretender to the Spanish throne and in an open letter declares that everything he did with the view of organizing a Carlist uprising was authorized by Don Carlos, whose behaviour in disgracing him after using him, Senor Delantado indignantly denounces.

STOPPING THE EXODUS.

(Special to the Star.)
TORONTO, Sept. 17.—Toronto Presbytery has declined to release Rev. D. C. Hossack, pastor of Deer Park Presbyterian church, to accept a call to Franklin, Pennsylvania.

PORTO RICO

Believes in Breaking Heads at Election Time.

Two Regular Parties and a Utopian Third in the Struggle.

(Correspondence of the Associated Press.)

SAN JUAN, Porto Rico, Wednesday, Sept. 10.—On Nov. 4 an election will be held covering the entire island. A resident commissioner to the United States, five delegates from each legislative district, a mayor for each municipal district, one municipal judge, three school trustees and members of the council will be chosen. In San Juan two municipal judges and two substitutes will be voted for.

While the campaign has not fully opened, yet the first few meetings have been theatrical. The Porto Rican is a good citizen, he generally minds his own business and believes in the adage, "Live and let live," until it comes to politics. Then there are no half-way measures. If you are on the opposite side, whatever that may be, your opponent considers that you are not entitled to live and that you have lost all claim to respectability because you do not believe as he does.

Thus far few meetings have been held which have not ended with broken heads and the grave charge has been made that the police were not the least active in either precipitating or sending passive encouragement to one or the other faction. Today in Porto Rico there are, strictly speaking, two parties, the republican party, now in power, and the American federal. Another party has sprung up in the past few weeks, which styles itself Utopian. Its platform is Utopian to such an extent that it is not being considered seriously by the other two.

Two years ago the federal cast no vote at all, claiming that it would be useless to go to the polls because the republicans would count them out. The federal are going to the polls this year and are going to see that their votes are counted as cast. In this determination they have the endorsement of the governor, who has declared that a fair election must be held whatever the result.

POLICE COURT.

A Family Row—Must Not Throw Stones—More Than Half Seas Over.

"Now, honey, stay in yer own back yard, don't min' what de white chills do. You don't s'pose dey give half a show to a little black cock like you. So stay in dis side of de high board fence, an' honey, don't cry so hard. Go out an' play dese as much as you please, but stay in yer own back yard."

Little Walter Forbes on Duke street didn't follow the advice. He went out with other chills and got into trouble. Mrs. Louisa Saunders's offspring hit little Walter, and little Walter made remarks to Mrs. Saunders which would have been creditable to a grown-up man. Such conduct could not be tolerated. Walter Forbes's father brought Mrs. Saunders to court for inciting her daughter to assault his son, and Mrs. Saunders hid Walter Forbes's father in court for abusive language. The whole crowd escaped with a warning and the promise of a fine all round if it happened again.

Wille Eaton, a west side boy, was arrested for throwing stones at Sgt. Ross. It appears that in the words of one of the boys "the gang was playin' quates an' the cops come." Then Eaton threw a rock at Sgt. Ross and the sergeant dodged behind a fence. Eaton's brother at the time went out just to let the sergeant know that they were watching him. Other stones were thrown, but did not hit anything in particular and the crowd of boys who had been shouting on the streets got away. This was in Carleton on Monday night. Eaton was fined eight dollars or twenty days.

Timothy Lynch from Carleton was fined two dollars for being drunk in Market slip.
Yesterday afternoon Jack Mitchell and a friend tried to shove cock on Brussels street. They were scarcely in a fit condition for the handling of such precious stones, and after falling all over the pile in a vain attempt to fill his shovel, Mitchell was arrested. He got eight dollars or twenty days.

Alfred Sullivan of the schooner Eme-line was last evening arrested on the charge of stealing an overcoat, the property of Capt. Fardie, from the West End House, on South Wharf. This morning he denied the charge and said he could not remember anything about the coat. He had been drinking and had been in the West End House, but beyond this he knew nothing and was much surprised to find that he had really stolen the coat. Capt. Fardie did not wish to press the charge, so Sullivan's explanation was accepted and he was let go.

GIVE HIM A CHAW.

An old man by the name of William Mattox was picked up by Sgt. Baxter last evening. He had been in the charge of the Alms House, but left that institution yesterday morning with a suit of government homespun and the intention of beginning life anew. This morning Mattox was brought before the magistrate and asked why he had left his happy home.

"Well, I had no reasons. I couldn't get a chaw of tobacco, nor nawthin. All the other fellows got it, an' I was sent out pitchin' oats." His face brightened. "I like farmin' and I'd be satisfied to work fer a decent livin' with a farmer."
He was sent back to the Alms House.

SIR ROBERT BOND

Interviewed Relative to His Visit to Washington

NEW YORK, Sept. 17.—Sir Robert Bond, premier of Newfoundland, who recently visited Washington with the object of furthering a fisheries reciprocity treaty with the United States, is in this city. Regarding reports that his mission has been a failure, he said: "I was unable to accomplish anything in Washington the other day, simply because the acting Secretary of State Adee needed to consult the president in order to get authority to begin negotiations. During the interval of slight delay occasioned by the necessity of consulting the president at Oyster Bay, I took advantage of my freedom to come to this city for reasons of private business. I am waiting now until negotiations can be properly carried on. I expect to return to Washington for that purpose the latter part of this week or the first of next."

"I do not see any indications," continued the premier, "that the project will fail of success. It is not, of course, proper to make public at the present time any of the propositions which I may submit, but I've no reason to believe that they will not be well received."

THE COAL STRIKE.

Some Mines Increasing Their Output—Yesterday's Conference.

WILKESBARRE, Pa., Sept. 16.—President Gompers, of the American Federation of Labor, and National President Mitchell and National Treasurer Wilson, of the United Mine Workers, together with the district presidents of the same organization in the anthracite region, spent the best part of the day in secret conference here. When asked what was the object of his visit to strike headquarters, he replied: "I simply came up here to look over the strike situation. I find everything in excellent shape. The strike is being ably conducted and I learn that there is ample relief for all the strikers."

CHARLESTON, W. Va., Sept. 17.—Mines on New River are increasing their output daily and are working about half the regular force. Miners being forced out of the company's houses every day and the weather gets colder they must either move away or go back to work. At a consultation between operators, the sheriff of Fayette Co. and the officers of the militia, it has been decided by the governor not to withdraw the troops for the present. A committee of New River coal operators will not recognize the United Mine Workers of America or treat with them or any of their members, with reference to the wage scale or other conditions of employment.

"I do not consider that America has wasted any money in the powder that was burned in the sham war game. We are beginning to do that, too, now, and I think it is one of the best things for the training of the navy and army and to suggest where the weak points in a country's war force lie."
About the shipping combination, Lord Beresford said: "I must confess that we are a little frightened, not at the probabilities but at the possibilities. It is ridiculous to talk of England forming a rival combination. We can't compete with your railways and it is the through rate which pays."

LORD BERESFORD

Interviewed in New York on the Shipping Combine

NEW YORK, Sept. 17.—Admiral Lord Charles Beresford, of the English navy, has arrived here for a stay of three weeks.

"I have followed the American naval and army manoeuvres with much interest," he said, "I do not consider that America has wasted any money in the powder that was burned in the sham war game. We are beginning to do that, too, now, and I think it is one of the best things for the training of the navy and army and to suggest where the weak points in a country's war force lie."

About the shipping combination, Lord Beresford said: "I must confess that we are a little frightened, not at the probabilities but at the possibilities. It is ridiculous to talk of England forming a rival combination. We can't compete with your railways and it is the through rate which pays."

A FOOLISH YOUTH

Killed a Boy to Get His Place in the Family.

(Special to the Star.)
ST. THOMAS, Ont., Sept. 17.—The coroner's jury in the case of the death of Willie Freeman has returned a verdict to the effect that the boy came to his death by a gunshot wound inflicted by a weapon in the hands of William Chas. King, the prisoner under arrest. King, who is not altogether wise, is a farm hand employed by Freeman's adopted father, and killed the lad in expectation that he would replace the latter in the employer's affections.

DEFENDS THE FRIARS.

ROME, Sept. 17.—Mgr. Enrique Paroz, procurator of the Spanish Recollect Fathers in Rome, has presented a voluminous report to the Vatican, contending that his order in the Philippines is the victim of much injustice and libel, and claiming its right to remain there and be protected by the government.

KILLED AN INDIAN.

LONDON, Ont., Sept. 17.—The grand jury of Middlesex assize court has returned a true bill for manslaughter against John MacArthur, charged with killing Gus Ninham, an Indian, of the Onedia reservation.

HORSE NOTES.

(Fredericton Gleaner.)
Local horsemen are much interested in Byron Phair's latest importations. Mr. Phair last week visited the Allen stud farm at Pittsfield, Mass., and while there purchased these horses, which reached here yesterday and are now at his barn on King street, and are being visited by the local fraternity generally.

One of Mr. Phair's purchases is the bay brood mare Espinosa, by Lancelot, a son of Messenger Duric and Green Mount Maid, and having a colt at foot. This colt is by Kremlin, 2:07.3-4, champion stallion of 1892 and winner of the Transylvania of that year and the only champion trotter to win that classic event.

Mr. Phair's most valuable purchase from a speed standpoint was the dark iron grey Billy Kinkie, a yearling weighing 750 pounds. It is by Krishna, who as a three year old made a mark of 24, and who is a son of Kremlin. Mr. Phair also selected at the Allen farm and brought to Fredericton a yearling colt for Dr. Calkin of Sackville, which will be forwarded in a day or two.

BOUGHT NOVA SCOTIA IRON.

PITTSBURG, Sept. 16.—Iron and steel circles were surprised last week by the purchase made by Rogers, Brown & Co. of this city, of the total foundry output of the Dominion Iron & Steel Company of Nova Scotia, for the next six months.

The capacity of the Dominion furnaces is estimated at 8,000 tons per month, and the total purchase is, in round numbers, 50,000 tons of foundry iron.

KING'S GIFT TO KITCHENER.

The famous American gelding Democrat, formerly belonging to the Whitney-Beresford stable, which was a winner under Jockey Tod Sloan, has been presented to Gen. Lord Kitchener by King Edward. Gen. Kitchener will use the horse as a charger when he becomes commander-in-chief of the forces in India.
