MANY EXCURSIONISTS GOING TO TORONTO

The traffic over the C. P. R. from this city is at present very heavy, on account of the Toronto exhibition which opened several days ago. The Montreal express which left last evening was a very heavy train. Four sleepers were attached and every berth was occupied. The excursion rates are now on, and many people are taking advantage of the low rates. Last night's traffic was the heaviest. The exhibition will soon be drawing to a close.

BAND AT VICTORIA RINK.

Labor Day at the Victoria Roller Rink should prove an attractive place as the management have secured a full brass band to furnish music at both afternoon and evening sessions. There will be gentlemen ushers and attendants to assist beginners. Secure skates early and put in a few hours at this healthful and pleasant pastime. A delightful programme of new and popular music will be given afternoon and evening.
