any member of the late battalion, officer N. C. O. or
private who may wish to attend. A very large
gathering I expected.

Colonel Issacoon E. A., who has been away from
Halifax all - inter has returned to the city.

The ball in aid of the wooma's work exchange is
to take place in Freemsons' hall on Wedeneday
evening April 17. It is under very distinguished
patronage. The committee of ladies having the
staftar in charge is composed of Mrs. J. F. Kenny,
Mrs. James Morrow, Mrs. J. C. McIntosh, Mrs.
E. D. Tucker, Mrs. John Harvey, Mrs. Lyde, Mis
H. W. C. Boak, Mrs. Townshend and Mrs. Davis.

Word has been received in this city of the very
serious illesso of Rev. W. B Belliss, formerly curate
of St. George, Halifax, but for some time rector of
Clomentapport. At the last report he was not expected to live but a short time. A year ago Mr.
Belliss married a daughter of Can n. Patridge. He
intended going to England shortly for the benefit of
his besulfs.

St. Mary's junior dramatic class was formed last
Wednesday evening or the chance of giving to the
members a chance to develop their dramatic ability.

It is nader the direction of Mr. G. P. Sott, director
of St. Mary's Senior Cass. The election of officers
took place and resuited in Mr. J. T. Connell being
elected preasdent. No doubt the class will distinguish themselves very siznally in the near future.

There was anotter rectifal at the Conservatory of
Muvic a few nights shd this time there were several
neutral selections were Misses Whide on, E. Arcibaid, L. Gass and Master A. Smnb, all of whom
certsinly did much credit to themselves and their
instructors. Miss L. Murray a o Miss Muipuy
sang very beautifully, while the duet by Miss Holbrecker and Mr. Moone was beautifully rendered.

Indeed it is scarcely fair to the others to even mention these manes, for every number was a periete

The seventeenth of April is the date fixed for the Subscription ball. The ball is in aid of the "Woman's Work Exchange." It is to take place in the Masonic hall. Mrs. Jerry Kenny is the head and front of the managing committee which saying well for the success of the ball. The King's band is to be in attendance. The supper is given by different ladies so as to make the expenses as small respossible. The price of the tickets is very reasonousles, two dollars for ladies and three for gentlemen. Judging from the sale of tickets so far, we hope that the debt on the Weman's Exchange will be completely paid off.

ton, Saturday night, were Captain J. Taylor Wood, Major Mellor, Mr. and Mrs. M. J. Sawyer and Mr. R. P. Greenwood. The latter while in Boston has been seeing about coetures and properties for a theatrical entertainment be is getting up in aid of the "Church of England Institute." The entertainment takes the form of a musica burleque written by Mr. Greenwood. Whatever Mr. "Rupe" manages is sure to be worth going to and is always most amusting. The parts are all taken by gentlemen, ladies are left out.

The members of the yacht club will be glad to

out very soon after. Mr. 9 atward plays extremely well on the old one, so we shall expect great things when the new one is put up.

Mr. John T. P. Knight is to give a le ture at St. Luke's hall on Thursday evening. "The literature and fun of football" is his subject; one is certain of erilo; ing a hearty laugh, as Mr. Knight is always most happy in his remarks, and also it will hep a worthy matitution as the proceeds are in aid of the Tictoria school of art and design. In the proceeds are the state of the American State of the State of

of feeling among the audience in some parts of the room and this at times seriously interfered with the entertainment.

The Leiption Stock Co. still holds the fort at the Lyceum, and is drawing excellent houses. "Passions Siave" drew a very large and appreciative audience one night recently when the acting was above the average—in lact was decidedly good. The company will open their sixth week at the Lyceum with a presentation of 'Living Pictures.'"

A very interesting programme was carried out in the vestry of the Tabernacle church on Tuesday evening last. Among the prettiest of the selections I might mention a piano duet by Miss Hall and Mr. Hubley; Miss Lowe's excellent reading; Miss Hubley's solo "The Holy City," and Herr Karl Doerings solo "Litany." The entertainment was excellent and well deserved the enthusiasm it called forth.

The weather is the topic with which most conversations begin, so I will use it as a beginning for my letter this week. Just as we were congratulating ourselves that the spring was at hand, down came the snow! I thas been very cold since Friday last and the rink is to be kept onen another week in convequence. Between the tim when the stating ends and the boating and tennis begin there is a very dull season; even walking is out of the question unless you wear "high toppers" and it'y are a most ungainly for an of footgear. Truly a "Trilly foot" would look agly in the "De article in possible to get it from Miss. Larist bank's lending library. The library is a most popular recort and Miss Fairbanks tries to get most of he new books. She has a great many aubscribers, and if people would only read the book and return it at once, it wend be much more satisfactory to every one concerned.

Several well known medical men have gone of for a short holiday. Dr. Sia) ter has gone to New York irom there he goes to Chicago for a week or two.
