

## Women's Stylish Boots

New Patterns & Designs  
\$3.95 to \$7.00 a Pair

The popular style in Women's Boots for Fall is a high cut Lace and Button. Eight inches high is the fashionable pattern. We are now showing many lines in Black Kid, Gun Metal, Patent, Mahogany, Dark Brown, Grey and two-tone effects. An additional line for cold, wintry weather, particularly adapted for driving and walking, is a black cravenette button boot, with white fleece lining and rubber sole and heel, an ideal winter boot.

## NEW GLASGOW NEEDS CHILDREN'S AID SOC.

Two Unfortunate Cases Before Court Saturday—Pictou Man Jabs Scissors Into Eye.

Special to The Standard.

New Glasgow, N. S., Nov. 20.—It is a fortunate thing for numerous families in New Glasgow and vicinity that the weather turned milder instead of colder, otherwise a goodly number of people would today be suffering from lack of fuel. On Saturday it was practically impossible to get even a half load of coal. Quite a number of teamsters went to several coal depots including some of the mines, but returned with empty carts. The coal situation is now becoming very serious. In some cases, coal ordered last September by householders has not yet been delivered. Coal dealers are besieged with orders, the outlook for filling same being anything but encouraging. Shortage of labor at the mines is mainly responsible for the present serious condition of things.

There are six vessels at the wharf here, all loaded with P. E. I. produce. There is a three-master among the number. Following prices prevail: Potatoes 85 cents per bushel, turnips 75 cents per bushel, cabbage \$1.50 per dozen and vegetables, 75 cents per bushel. Buying was brisk at these prices on Saturday as it is believed prices will advance.

A man named George Cooper, an employee of the steel works, had his right foot severely injured. Cooper was working in the shell department near a bucket containing a heavy shell. In unloading the bucket, the swivel chain slipped, the shell falling on his foot crushing it badly.

## Increases Your Weight, Restores Lost Strength, Prevents Illness

Every day come new converts to that great army of men and women who rejoice in new-found health that came to them through the use of that wonderful blood-renewing preparation called "FERROZONE." Very simple how it acts. All you have to do is take two small chocolate-coated tablets with a sip of water at the close of each meal.

Ferrozone is a marvel. It contains just what thin blood lacks—lots of iron, but mark you, the kind of iron your blood is able to absorb. Ferrozone puts life and vim into the blood. Makes it rich, red and nourishing. Naturally the body is better fed and grows stronger day by day.

Of course digestion must be improved, and probably the stomach will require aid as well. Ferrozone serves the purpose admirably. Those who use it, enjoy appetite and digestive powers far beyond the ordinary.

That tired feeling is replaced by the buoyant, joyous sense of health and vigor. Day by day as your strength increases, you feel new energy surging through your veins, and know that a great tonic of great merit is at work.

No remedy more nourishing or uplifting, no treatment so sure to bring lasting health, good spirits and contentment. Ferrozone contains just what run-down folks need; it cures because it supplies more nutrient than you can get in any other way. 50c. per box or six for \$2.50 at all dealers, or by mail from The Catarrhose Co., Kingston, Ont.

## MARRIAGES

McCormick-O'Brien.

Yesterday morning at five o'clock in St. Rose's church, Fairville, Rev. Charles Collins united in marriage with nuptial mass, Miss Catherine M. O'Brien and Charles G. McCormick. There were many relatives and friends present. The bride is the youngest daughter of Mrs. Catherine and the late Terence O'Brien and was given away by her brother-in-law, John Sullivan. She was becomingly gowned in a travelling suit of navy blue, with hat to match and carried a handsome bouquet of white roses with maiden hair ferns, tied with white satin ribbon. Following the ceremony the bridal party proceeded to the home of the bride's mother, Mill Street, Fairville, where breakfast was served. Afterwards the happy couple left on the western train for Boston and New York. On their return they will reside on Mill street, Fairville. The bride was the recipient of many useful and ornamental presents, including silverware, cut glass and furniture. The groom's co-workers in Partridge Pulp and Paper Company sent him a silver service set.

Bank of Commerce Men at Front. Through the kindness of the general manager of the Canadian Bank of Commerce The Standard is in receipt of a neatly bound book in which is contained the names of the men from the bank who have enlisted in either the Canadian or Imperial armies. So far 1,175 officers of the bank have enlisted. Of this number 67 have made the supreme sacrifice; 127 have been wounded; 3 missing; 8 prisoners of war and 14 ill. Captain C. De Pallot, who enlisted in the city, and Sergeant H. G. Raymond of St. John are the only two who have made the supreme sacrifice from the bank here. Sergeant J. A. Price of the Commerce branch in the city has been wounded.

Assembly Nov. 29. St. Vincent's Alumnae Association will hold an assembly for patriotic purposes in K. C. Hall, O'Connell St., Nov. 29th.

## CARLETON CHINAMEN AIDED DESERTERS

Now He is in Toils of Law—Death of Miss Winnifred Kierstead Caused Deep Regret.

Special to The Standard.

Hartland, Nov. 20.—A thrill of horror was cast over the community today when word came of the death of the Newcastle hospital on Sunday of Miss Winnifred Kierstead, stenographer and bookkeeper for Estey and Curtis Co., Ltd.

H. H. Hatfield left on Saturday for Buffalo, Boston and New York. A Chinaman named Tom Johnson, at Perth, is in the toils for aiding soldiers to desert. He has been supplying them with civilian clothes and taking their military garments for safe keeping. Several of these were found in the cellar of his laundry.

## OBITUARY.

Miss Winnifred Kierstead.

Newcastle, Nov. 20.—The death of Miss Winnifred Kierstead, of Hartland, occurred from pneumonia in Newcastle Hospital yesterday. She was brought here from Chatham on Thursday. She had been at the Sunday School convention there since Monday. She was not feeling well when she left Hartland, but thought the change would do her good. She took ill at Fredericton en route, but persisted in her journey and arrived in Chatham Monday night. When she reached the hospital there was no hope for her. A telegram to her parents, Mr. and Mrs. Justice Kierstead of Scotch Ridge, Charlotte county, failed to reach them, but they heard indirectly that their daughter was in the hospital. Mrs. Kierstead came Saturday night to see her, but thinking she must be in the Chatham Hospital, went on to Chatham and although she drove at once back to the Newcastle her daughter was dead before the mother reached her bedside.

Miss Kierstead was 26 years of age and had been a stenographer in the office of Estey & Curtis, Hartland. She was an indefatigable church and Sunday school worker and the Baptist denomination and the Sunday school cause have suffered a great loss in her death. Besides her parents, one brother, Granville, at home, survives. The body was taken this morning to St. Stephen for interment there.

Joseph Baxter.

At the advanced age of 86 years Joseph Baxter of 275 Charlotte street, passed away on Sunday. The funeral of Mrs. Baxter was held only three days before her husband. The late Mr. Baxter had been connected with the ferry service for several years. He leaves a son, Thomas L. and two daughters, Florence and Jennie. There will be sincere sympathy with the family in their double bereavement. For some years deceased had lived in retirement, but remained in fairly good health considering his great age. He was a prominent member of St. John the Baptist church. The funeral will take place this afternoon from his late residence to St. John the Baptist church at 2.30 o'clock.

Thomas Hudson.

Thomas Hudson, of South Branch, Keegan Co., died at his home yesterday after a year's illness of liver trouble. He was a son of the late Andrew Hudson and was born at South Branch 66 years ago. He carried on a successful meat business at Rexton and at Richibucto a number of years and made many friends. He was married to Miss Janie McDonald of South Branch predeceased him twenty-one years. Mr. Hudson is survived by his aged mother, five sons and two daughters. The sons are Charles of the 9th Siege Battery at St. John; Fred and George of South Branch, the two in British Columbia, and two daughters, Miss Mary at home, and Miss Bessie in British Columbia. The funeral will be held at South Branch this morning.

Mrs. Isaac W. Doherty.

Rexton, N. B., Nov. 20.—Mrs. Doherty, widow of Dr. Isaac W. Doherty, passed away at her home, "The Cedars," here, Saturday, at the age of 88 years. Mrs. Doherty's maiden name was Miss Cleveland. She is survived by two daughters, Mrs. Hugh Jardine of Moncton and Miss Kate Doherty, at home, and two sons, Dr. R. P. of Foleigh Village, N. S., and Fred of Moncton. The funeral was held this afternoon after the arrival of the K. N. R. train. The late Dr. W. Doherty was a son of deceased.

## AN INTERESTING LETTER FROM NO. 4 SIEGE BATTERY

Harold Flowers Writes From Front to Local Friends—Battery Near Small French Village.

Special to The Standard.

The following letter received from one of the boys of No. 4 Siege Battery will be read with interest by the many friends of this unit in the city. Nearly all of the boys in No. 4 belong to this city and their course on the field of battle will be followed with interest. From his letter they have been in some of the big fights going on at the present time, but at the time of writing everything was quiet. He says:

France, Oct. 31, 1916.

Just a few lines to thank you for the lovely letter of the 14th. You so kindly sent me enclosed in a box from home. I enjoyed it very much, as is always the case when we boys receive anything from old St. John. We have now been three months on the hardest part of the western front and have been initiated fairly well in the art of war as far as artillery is concerned. We have had three different positions and soon after leaving the two of them they were shelled by the Hun, so in that respect we have been particularly lucky. We have done some splendid work with our large guns and also know what it is like to run and take cover from Fritz's shells. The battery has taken part in several large bombardments in which important German fortresses have fallen. We have had the misfortune to lose two good men lately, Mr. Kerr of No. 1 Section and a signaller, Ashwood, who were killed by German shell fire while observing our fire in the third line trenches. It cast a gloom over the battery for they were both popular men. The battery is now situated in a large field outside a small French village where the only inhabitants, except the infantry quartered there, are a few old peasants, who take the place of the men in the harvest fields. At the present moment everything is as quiet as a scene at home, but at other times the steady roar of British artillery, with now and then the shrill scream of a German shell change the aspect entirely. We now have the Hun beaten in almost all branches of the service, and I hope it will not be long before we are all back in old St. John. The hell battery is supposed to be somewhat handy here and if I get the chance I will look up Harold Vail.

## GIRLS! MOISTEN A CLOTH AND DRAW IT THROUGH HAIR

It becomes beautifully soft, wavy abundant and glossy at once.

Save your hair! All dandruff goes and hair stops coming out.

Surely try a "Danderine Hair Cleanser" if you wish to immediately double the beauty of your hair. Just moisten a cloth with Danderine and draw it carefully through your hair, taking out dandruff and dirt as you go. It cleanses the hair of dust, dirt or any excessive oil—in a few minutes you will be amazed. Your hair will be wavy, fluffy and abundant and possess an incomparable softness, lustre and luxuriance.

Besides beautifying the hair, one application of Danderine dissolves every particle of dandruff; invigorates the scalp, stopping itching and falling hair.

Danderine is to the hair what fresh showers of rain and sunshine are to vegetation. It goes right to the roots, invigorates and strengthens them. Its exhilarating, stimulating and life-producing properties cause the hair to grow long, strong and beautiful. You can surely have pretty, soft, lustrous hair, and lots of it, if you will just get a 25-cent bottle of Knowlton's Danderine from any drug store or toilet counter and try it as directed.

Save your hair! Keep it looking charming and beautiful. You will say this was the best 25 cents you ever spent.

## SEAMAN'S INSTITUTE

The business to be had in this port during the next few months will bring together the men of the sea in increased numbers. A record is anticipated by those who understand conditions. The executive of the Seamen's Institute are aware of these conditions and have made preparations already, so far as has been possible, to keep the institute warm, comfortable, and generally useful. Already there is comfort in the institute, for it was seen yesterday that the reading room, supplied with literature, checkers, writing material and other things will prove of great benefit to the sailor men. Monthly magazines are wanted quickly and will be already received by the men. They are glad to take away magazines, for, at times, it is not possible for them to read them on the spot. Weekly concerts will be held throughout the winter season. Sunday services will take place, and encouragement be given to the sailor men generally throughout the coming season.

## CANADA STEAMSHIP TO CHARTER 15 BOATS

Company Now Has Eighteen Ships in Ocean Service—Rates Higher Than Year Ago.

Special to The Standard.

Montreal, Nov. 20.—J. W. Norcross, managing director of the Canada Steamship Lines, Limited, who has just returned from England, makes the announcement today that negotiations have been completed for the chartering of fifteen steamships for ocean service for the year 1917.

At the present time Canada Steamships has eighteen ships in the ocean service and although present arrangements only provide for the service of fifteen of these for 1917, it is quite likely that the whole fleet will be re-engaged for ocean service again.

Mr. Norcross also announces that rates are considerably higher than a year ago.

During his visit to London Mr. Norcross, who was accompanied by C. A. Barnard, K.C., had several conferences with the London advisory board.

## FUNERALS

Funerals took place yesterday as follows:

Mrs. M. Snodgrass.

In the morning of Mrs. Mary Snodgrass from 21 Erin street. Services were conducted by Rev. W. G. Lane, the body being taken to Hampton for interment.

Mrs. E. M. Kierstead.

In the afternoon of Mrs. Edith M. Kierstead from 133 Paradise Row, after services conducted by Rev. D. J. MacPherson. Burial was in Fernhill.

Mrs. M. Ferguson.

At three o'clock in the afternoon of Mrs. Maud Ferguson from Chesley street. Interment took place in Greenwood, the services being conducted by Rev. Dr. Hutchinson.

## No Cure Guaranteed More Corns

Never known to fail, acts without pain in 24 hours. Is soothing, healing; takes the sting right out. No remedy so quick, safe and sure as Putnam's Painless Corn Extractor. Sold everywhere—25c. per bottle.

## Good Blue Suits

Some may have the impression that a good Blue Suit, ready tailored, is a scarce article. This may be the case in other stores but not here. Our stock contains a number of lines of thoroughly good suits some of which are guaranteed fast color. Others while not subject to such a positive guarantee are reasonably sure as the cloths are the product of first class manufacturers. We can supply suits, ready to be finished at short notice at \$20, \$22.50, \$25, \$28, \$29, \$31. Each is really value today for several dollars more, and many of them are the widely known 20th Century Brand. A purchase now is truly an investment against future high prices and poorer qualities.

## Little Eye Defects

The little defects in eyesight are usually the most annoying. When the defect is great there is poor vision and as there is no personal knowledge as to what should be seen by the normal eye, there is no worry. Little defects are annoying because they cause pain in the eyes, or headaches, or the eyes are weak. Let us advise you about your eyes.
