Official Record of Bowling Teams

Scorer Murray Jarvis Compiles Team and Player Averages of the Recent Maine and Maritime Province Tournament.

The official record of the Maritime Province and Eastern Maine Bowling tournament rolled on the Y. M. C. I. alleys, April 22nd, 23rd, and 24th following:

The high single went to J. Smith, of New Brunswick, who made 153, breaking the alley record by five pins; the high three string total went to McIntyre of St. Peter's; the high average to Cleary, St. Peter's; and the special Balke-Collender trophy awarded to the bowler making the highest average in six or more games went to J. Smith of Amherst.

Smith made the highest total pin-fall in three strings, but according to the ruling and agreement of the tournament one bowler could take but one prize. The Brunswick Balke-Collender was an outside issue and did not therefore come under the ruling of the tournament.

Canadian Horse Won the Derby

Sir Barton, Owned by Commander J. K. L. Ross, Won Kentucky Derby and \$20,205 on Saturday on Churchill Downs.

Louisville, Ky., May 11.—Sir Barton, Commander J. K. L. Ross' star Lady Stirling colt, won the forty-fifth renewal of the Kentucky derby over a muddy track at Churchill Downs in a handy fashion today, gained for his owner \$20,205, and enriched the public to the extent of \$730 for a \$2 pari-mutuel ticket. Sir Barton carried 110 pounds, twelve less than the top weight, and was ridden by jockey T. Loftus, who handled his mount in excellent fashion. Billy Kelly, from the same stables, with E. Sande up, was second from the leader, and a length away from P. Dunn's imported colt, Under Fire, who finished third. Vulcain, six lengths to the rear, led the remainder of the field. The time, 2:09.45 for the mile and a quarter, was 6.24 seconds slower than the Derby record. Eternal, J. W. McClelland's Hazel Burke colt, started as a slight public choice, tired after going three-fourths of a mile and finished tenth. Vindex, the Harry Payne Whitney entry, upon which eastern people were said to have placed their confidence, trailed the field after the first half-mile and finished last.

More than 50,000 persons, the largest in Kentucky Derby history, were present. Sir Barton, at the rail, shot to the front when the barrier was sprung. As the twelve horses swept by the grand stand he was leading Eternel and Billy Kelly. At the half-mile he was put in front half a length ahead of Eternel, with Billy Kelly four lengths back. At the three-quarters of a mile his lead had been increased to two lengths; at the mile it was again to a half length with Billy Kelly, Under Fire and Vulcain close together at the finish he was going strong.

Sir Barton apparently was under restraint until the stretch was reached. In the last eighth and finished tenth. Billy Kelly, made his bid and his mount responded gamely, but was not quite good enough under urging. Under Fire gained steadily from a slow start.
