Scammell Brothers' Freight Circular

subject of freights:port at 10.15 a. m., and will probably reach here by 3 30 p. m.

Calvin Church is rapidly approaching completion. The seating is all done, and the woodwork has received one or two coats of paint. A tolerably good idea of the appearance the Church will present in the interior, may now be obtained by a visit to the building.

The market for this business exhibits much firmness. From the States we observe an almost complete cessation of offerings, and the demand is but partially supplied by the local tonnage and the new ships, whose arrivals are of frequent occurrence. The last engagement for Liverpool will now have, as soon as the outside platforms are finished, and the ballasting done, when the following transactions, when the figure, we doubt not, to be still obtainable.

We hear of the following transactions, that it will want in the next fifteen years. The Eastern end of the building is within with the control of the con

> Whitehaven, 80s. For this business, we have nothing new of the station master and assistants are on to advise. There are no freights offering each side of the western end of the build-here for the River or the West Coast.
