There approaches the season when the misers will pack up their finger rings and try to look sad when saying good-bye to hubby at the station. Tanlac is a family medicine, as good for children as it is for grown folks.—P. E. Lumley.

The time is coming when about the only thing that will scare a horse will be to see another horse in town. Dread of Asthma makes countless thousands miserable. Night after night the attacks return, and even when brief respite is given the mind is still in torment from continual anticipation. Dr. J. D. Kellogg's Asthma Remedy changes all this. Relief comes, and at once, while future attacks are warded off, leaving the afflicted one in a state of peace and happiness he once believed he could never enjoy. Inexpensive and sold almost everywhere.

Women Drivers

are growing in number each year and the cars they drive are Fords.

Simplicity of operation and the ease with which service can be obtained appeal to women—but a greater appeal lies in the fact that the car is hundreds of dollars lower in price than any other.

This saving in price placed in a bank account or a payment on a new home means more to a woman than a car with unnecessary equipment, power and size.

It is a year for common-sense buying—that means Fords.

DISTRICT AND GENERAL

Grand Trunk car ferries may be used at Windsor to relieve the automobile traffic across the Detroit River.

The northern watermelon market is likely to be glutted by shipment of 25,000,000 due within a month from the south.

The Cobourg town council has purchased some 3,800 pounds of calcium chloride, which is to be used on the streets this summer instead of oil.

A child three years old near Vandewater wandered into the meadow on its father's farm and had both feet severed by the knives of a mower.

The office of the district representative of the department of agriculture, which has been located in Dutch since its establishment some 12 years ago, is to be moved to St. Thomas.

Wheat cutting commenced in Dover township two weeks earlier than usual. Reports indicate that great damage has been done by the Hessian fly, and some fields will not yield over five bushels to the acre.

Among the laws which came into force recently is one of interest to the travelling public by which hotel owners have to post in the entrance of their establishments and in the bedrooms and dining-rooms prices of accommodation under its various forms.

Warning is issued by the provincial police to the effect that any person or persons allowing their cattle or horses to graze unattended on the sides of the roads are liable to prosecution. It is pointed out that this practice is one of utmost danger to motorists, especially at night.

According to the reports which come from the lake shore the raspberry crop in Kent this year will be a bountiful one. Tomatoes are also an abundant crop and the home grown variety made their appearance on the local market Saturday for the first time this year.

John Sinclair, one of the oldest residents of Aldborough, died at the home of his daughter, Mrs. A. Munroe, Talbot street, after a few days' illness with paralysis, aged 87 years. He was born in Middlesex and lived in the township for 50 years. His wife, who was Margaret McKellar, of Lobo, died two years ago.

The West Middlesex U. F. O. picnic at Stratford on Dominion Day was a big success, an attendance of 12,000 being estimated. The program of races and games was faithfully carried out and the community dance in the evening was much enjoyed. The proceeds of the day were divided between the Stratford hospital and rest room and the U. F. O.

The mysterious death last month of nine young cattle belonging to Wm. Moore, a well-known Sheddin farmer, is still unsolved. An analysis of the contents of the stomachs and bladders of two of the dead animals, which were sent to Ottawa, gave no clue to the cause of the death and the Dominion authorities are puzzled to know the nature of the malady.

Don't suffer any longer. Get your stomach in shape by taking Tanlac and eat what you want.—P. E. Lumley.

LIBRARY FOR GLENCOE

The obtaining of a Carnegie Library for our village, which has for the past few months aroused the interest of many of our citizens, is at last practically assured.

On Thursday of last week Glencoe was fortunate in having a visit from W. O. Carson, inspector of libraries for Ontario. After conferring with him the library board definitely decided to notify the trustees of the Carnegie Trust Fund of their intention to proceed with the erection of a \$5,000 library.

Following this meeting a delegation from the board, accompanied by Mr. Carson, met with the I.O.D.E. and we are pleased to report that this organization has signified its willingness to donate land for the said building.

On Monday evening the library board presented their proposition to the village council, meeting with a hearty response and the assurance that the civic fathers will assist in any way they can in bringing about the completion of the library.

The Carnegie library will be a splendid thing for the community, and those interested in its erection are hoping for the friendly support of all citizens.

FOUR DAYS

SPEAKS TO SIMCOE FARMERS

J. G. Lethbridge, M.L.A. for West Middlesex, was one of the speakers at the annual picnic of the North Simcoe Farmers' Political Association held at Wasaga Beach, at which Premier Drury gave the address of the day.

In his report of the picnic the Elmhurst Lance says—Mr. Lethbridge of Middlesex is one of those solid level-headed sons of the soil who have made the western counties of Ontario what they are—the agricultural paradise of the Dominion. Mr. Lethbridge does not crave for the vulgar notoriety of the time-serving politicians, but when he speaks the House treats his opinions with respect, and his honesty of purpose is appreciated even by his political opponents.

DEATH OF JAMES CORBETT

There passed away on Monday, July 3rd, at his residence, Park avenue, Glencoe, James Corbett, in his 66th year, son of the late Mr. and Mrs. James Corbett, formerly of Glencoe.

Although ailing for some time from a stubborn complication which gradually sapped life's vital springs beyond any earthly aid, the end came as a shock to his many friends and acquaintances.

Born in Ireland, he came to Glencoe when a young man and was a resident of Glencoe for 45 years and employed by the Pictorial Mfg. Co. for the past 18 years. He leaves to mourn his loss his sorrowing widow; one daughter, Mrs. James Grover; two grandchildren; five brothers, Maxwell of Stratford, David of St. Clair, Mich., William of Hamilton and Ernest and Robert of Calgary, and one sister, Mrs. Jane Galbraith of Poughkeepsie, N. Y.

After a short service, conducted by Rev. T. J. Charlton, of St. John's church, and by Rev. Mr. Robertson under the auspices of the I. O. O. F., on Thursday afternoon, interment was made in the family plot at Oakland cemetery. The floral offerings were beautiful. D. Munroe, of Sheddin, had charge of the funeral.

CAMPBELLTON GARDEN PARTY

Campbellton's sixth annual garden party will be held on the school grounds, S. S. No. 10, Dunwich, on Friday evening, July 14th. The following high-class artists will take part:—Andrew W. Murdoch, of Buffalo, N.Y., Scottish comedian, known as the "Rale McKillop"; Thos. Williams, of Toronto, composed of Joe Williams, English comedian; Miss Angus Adie, soprano, who never fails to please; Miss D. Brown, accompanist; Master David Rathbair, violinist; the Harmonic Male Quartette, of London; the Fisher Orchestra, of Stratford. Chair will be taken at 8.30 p.m. by A. E. Roberts, Dutton. Admission, 50c and 25c.

CHILDREN'S ORCHESTRA GIVES FINE CONCERT

Seating capacity at the Carman Arena was filled on Friday evening when Prof. Howard Gordon's stringed instrument classes from Stratford, Alvinston, Tillsonburg, Aylmer, Port Stanley and Glencoe as an orchestra of sixty pieces occupied a stage specially constructed. Their performance was a unique one and made a decided hit with the large audience. It was also remarkably clever inasmuch as the classes had not met together for practice until the evening before, when they performed at Stratford.

Owing to a heavy rain during the afternoon there were a few disappointments in some of the artists announced not being able to reach Glencoe. The program, nevertheless, was splendidly carried out. It was well selected and consisted of hymnology and simple classics.

Featured in the program were songs by James Barnum, of Aylmer; concertina solos by Manfred Gare, of Stratford; violin solos by Miss Ella Sexton, of Stratford; piano solos by Theodore Gray, of London; violin duet by Miss Virgie Clarke, of Glencoe, and Master Jack Ellison, of Port Stanley; violin solo by Wm. Coak, of Glencoe; cello solo by Master Donald Wright, of Stratford; violin solo by Billie Ellison, of Port Stanley; violins and cello trio by Miss E. Sexton, Billie Ellison and Donald Wright. Practically every number on the program was given a hearty encore.

Miss Grace Blackburn, of London, spoke briefly and to the point on the splendid benefits of young people's orchestras to a community in training the mind to appreciate the higher class of music. Mr. York, principal of the high school, spoke in a similar strain and gave a hearty welcome to the performers on behalf of the high school and town in general. Both praised highly the work being accomplished by Mr. Gordon in the development of musical talent in the schools and homes.

Similar entertainments to the one in Glencoe were given by the orchestra at Stratford, Thursday evening; Tillsonburg, Monday evening, and Aylmer, Tuesday evening.

APPOINTMENT OF CROWN ATTORNEY

Toronto, July 10.—According to information received from an authoritative source at the Parliament Buildings Monday morning, the stage is set for the announcement this week that J. C. Elliott, ex-M. L. A. for West Middlesex, will be the new crown attorney for London and Middlesex county.

Revocation of the order that the new crown attorney must relinquish his private law practice has removed every barrier to the appointment of Mr. Elliott.

DEATH OF JOHN LUMLEY

The death occurred at his home on the Longwoods Road, Mosa, on Monday, July 10th, of John Lumley, aged 71 years. The funeral was held on Wednesday from his late residence to the Simpson cemetery. Mr. Lumley was a well-known and prominent farmer of the township. He leaves a family of seven girls and three boys; also two brothers, Hiram Lumley, of Glencoe, and Eliah Lumley, of Wardsville. His wife died in January last.

EKFRID COUNCIL

The municipal council of the township of Ekfrid, viz., Reeve F. W. Nichols, Dan Johnson, Bernie Galbraith, John H. Huston and Charles Roemmele, met in the town hall, Appleton, on Thursday, the 29th day of June, 1922. The minutes of the last meeting were read, approved and signed by the reeve.

The reeve and treasurer were authorized to borrow on the credit of the corporation such funds as may be required to meet current expenses of the township until such time as taxes are levied and can be collected. The reeve and councillor were authorized to build a concrete bridge on range 34, lot 6.

Accounts were paid, and council adjourned to meet again on Thursday, the 27th day of July, at 10 o'clock forenoon.

A. P. McDougald, Clerk.

AN OMISSION

In copying the minutes of the meeting of the Glencoe council of July 3rd, the following motion was omitted by an oversight on my part:

"It was moved by Mr. Parrott, seconded by Mr. Lumley, and carried, that Monday, August 7th, be held as Glencoe civic holiday."

Charles George, Clerk.
