DELICIOUS CAKE.

Cream together one cup of sugar and one-half cup of butter, or other shortening; add a salt spoonful of salt, one teaspoonful of cinnamon, one-half teaspoon of cloves, a little nutmeg and one-half cupful of chopped raisins. Dissolve one teaspoonful of soda in a little warm water, and then stir it in one cup of sour applesauce, letting it foam over the ingredients in the bowl. Beat all together thoroughly, and add one and three-quarters cups of flour sifted three times. Bake in a loaf tin forty-five minutes.

HINTS THAT MAY HELP.

Rubber tips (these may be bought, or may be cut from the soles of old rubbers and tacked on) fastened to chair legs will save your hard wood floors and your nerves.

When ironing, save your strength as far as possible. Dry thoroughly all Shaker flannel garments, fold them and then run the iron over them so that they will fold easily. Sit down to iron all the smaller articles, towels, pillowcases, handkerchiefs, underwear, etc. If you find a chair or stool awkward, try the organ or piano stool, which can be arranged at any height, and will swing round easily when irons are to be changed.

FRUIT COOKIES.

Two cups sugar, 1 cup shortening, 1 cup cold water, 1 cup seeded raisins chopped fine, 2 teaspoons soda, 1 teaspoon salt, 2 teaspoons cinnamon, 1 teaspoon cloves, flour enough to make as soft a dough as can be rolled out. Chopped figs or dates may be used instead of raisins. Bake in a quick oven.

ORANGE MARMALADE.

The proportions are three oranges to one lemon. Weigh the fruit and slice as thinly as possible with a sharp knife. To every pound of fruit take two quarts of water. Place the sliced fruit in the water and let it stand twenty-four hours. Then boil the whole very gently for two hours. Measure, and to every pint add one pound of granulated sugar; then boil for half an hour. When slicing the fruit take the seeds out.

MORE ABOUT CONFIDENCES.

Dear Dame Durden—"Can a woman keep a secret?" Well, yes, some of them can. We are generally considered the weaker sex in this matter; but, according to observation it is not women alone who are responsible for secrets getting beyond bounds. However, because of her home duties a woman lives much to herself, and when

some acquaintance steps in, with a desire to entertain her and be sociable, that unruly member that no man or woman can tame gets beyond control.

Then again we women find ourselves at times in the Slough of Despair, and if opportunity affords are apt to express ourselves too freely in the effort to relieve our minds. It is at such times as these that we are in great danger of "sacrificing our birthright of moral courage for a small pottage of sympathy." We should guard well our lips at such times for if our sympathizer has a husband she may entertain him later with the confidences we considered sacred. We may seek "repentance carefully and with tears." Much better to have a little talk with Jesus, who is able to keep what we have committed to Him and that will make it right. If we have made mistakes there is still hope, for it is said that our real value is found in the region of our aspirations.

Mail Order Department

Finding it impossible to reach all districts with our travelers, we have decided to try and reach everyone by opening a mail order department in connection with our Winnipeg Branch.

A great many people who know of the high standing of the Mason & Risch piano have no means of purchasing them, because we do not sell to agents, and are therefore not represented in their districts.

We want everyone who is thinking of buying a piano to write us and we promise to send them the fullest information. It costs more to make an artistic piano than an ordinary trade instrument, but the best is always the cheapest.

We want to explain to you how we guarantee the selection of instruments for mail orders. **Write to-day.**

TESTIMONIAL

She's well pleased with our selection.

MASON & RISCH PIANO CO., LTD., WINNIPEG, MAN.

DEAR SIR,—Piano arrived at Pense on February 13th, but did not hear of its arrival till February 27th; got it out alright and set up, nothing damaged. We are extremely pleased with it, the tone is very fine. My wife says she would not trade even with the best \$500 Upright made. Yours sincerely, (Sgd.) CLAUDE P. SAUNDERS.

This was one of our used square pianos sold through an advertisement appearing in the Farm Magazine.

Exchange Department for the Sale of Pianos Exchanged for Mason & Risch and Pianola Pianos

That it should be necessary to establish a permanent Exchange Department for the disposal of the large number of square and upright pianos constantly being received in exchange for Mason & Risch Pianos and Pianola Pianos, is the most direct evidence of the popularity of their instruments.

A prominent out-of-town dealer in pianos, who visited the Mason & Risch store 356 Main street, this week was shown the collection of used pianos, now contained in the exchange department. His comment was: "You should add 50 per cent. to the price you are charging and I would guarantee to sell everyone of the instruments in my own store without the slightest difficulty."

His judgment only confirms the opinion of every piano expert who has examined the remarkable collection here assembled that nowhere else in Winnipeg or outside of it are such values offered. The testimony from purchasers also is equally emphatic; persons who have shopped all over the city and followed up every advertised sale assert that the Exchange Department presents by far the best opportunities offered anywhere.

If you have in mind the purchase of some favorite Piano, it is of utmost importance to see first what our Exchange Department is able to offer in this particular make, there is a strong probability that you will be able to find here just what you want—if so, at a very substantial saving.

Easy Monthly Payments will be Accepted.
