

The illustration depicts a forest fire scene. In the foreground, a Fairbanks-Morse fire fighting pump is shown in detail, featuring a large flywheel, various pipes, and a hose. A hose extends from the pump across a field of tall grass towards a burning structure in the background. The background shows a forest with large, stylized trees, some of which are on fire. A person is visible near the burning structure. The sky is filled with smoke and a bird is flying. The entire scene is framed by a decorative border.
