

Harriers Win First Meet Soccer Season Opens

Coach Amby Legere

In the first meet of the season, last Saturday, the UNB cross-country team, coached by Amby Legere, defeated the visiting Husson and Ricker colleges over a rain-soaked 3.4 mile course.

The varsity Harriers were led by Richard Meister, a new man, with a time of 19:52 just over a minute off Chris Williamson's record for the course. He was closely followed by McEwing, Tim Holmes and captain Robin Carr, all of UNB.

Fifth position went to White of Ricker, who was followed by Don Mersereau, Bob Piers and Dennis Furlong. The first man across the line for Husson was Reeves in ninth position, UNB was just one off the perfect score of 15 with Ricker

picking up 54 for a distant second and Husson holding third spot with 68.

In a second race, the UNB second and third teams were edged out by a strong TC squad over the same course. Captain Mel Keeling led his Teachers over the winding 3.4 miles in a time of 20:24. He was followed by Dakin of TC and captian Bob Jarvis of the Junior Varsity harriers.

COACH OPTIMISTIC

Coach Legere was enthusiastic over the strong performance since the team is a week behind in training.

"It's a young team," said coach Legere, "but they are averaging better times than last year's squad." He feels the gaps left by such runners as Chris Williamson and Chris Sproule have been ably filled by new additions (such as Meister, Holmes, Mersereau, and McEwing) and that this year's team has more depth and enthusiasm.

Coach Legere was obviously elated but would not make any predictions. "It's too early to tell" he said. "It's a young team, but we'll be strong contenders."

Next week will tell just how strong the harriers are as they will host the tough Maine Maritime team.

The Soccer Red Shirts, the perennial powerhouse and currently the defending champions of the Maritime Intercollegiate Soccer League, take to the field this Saturday against Saint Mary's University in their season opener.

The Red Shirts have been working out three times weekly for the past two weeks and are described by coach Jim Berryman as being in excellent physical condition. Although the Red Shirts have only five returnees from last years championship squad back in the field, the presence of several fine Freshman prospects has helped make the team in coach Berryman's opinion as good as if not better than last year's squad which took all the marbles in the fast seven team intercollegiate league.

Berryman's rating of his team was borne out in last Thursday night's game against the Black Watch from Camp Gagetown. In a fixture used primarily to try out new players and pick a first fifteen, the Red Shirts scored an impressive 7-1 win over the current Eastern Command Tri/Service Champions. In that game, the Red Shirts showed that their biggest forte in the season to come will be their fast, smooth working defence.

Coach Berryman feels that the Red Shirts opening game may well be their toughest of the season, as he rates St. Mary's as one of the best teams in the league.
