

Rebels Rebelling

by Kelly Craig

This past weekend the UNB Rebels travelled to Moncton in hopes of victory. They achieved this in grand fashion. Sunday afternoon at 2:00 pm the Rebels took to the court against U de M. The outcome was a 3 game to 0 victory for the Rebels. They defeated U de M by scores of 15-4, 15-3, and 15-12.

The Rebels played a good, solid game of volleyball against U de M. Claude Cullinan stacked up 11 kills for the Rebels and teammate Rick Boyle had 4 stiff blocks against Moncton. Guy Gallibois topped off the game with very well executed sets to set the ball

and make the kills possible. It also helped keep UNB in their second placing in the AUSA. UNB now stands at a record of 7 wins, five losses.

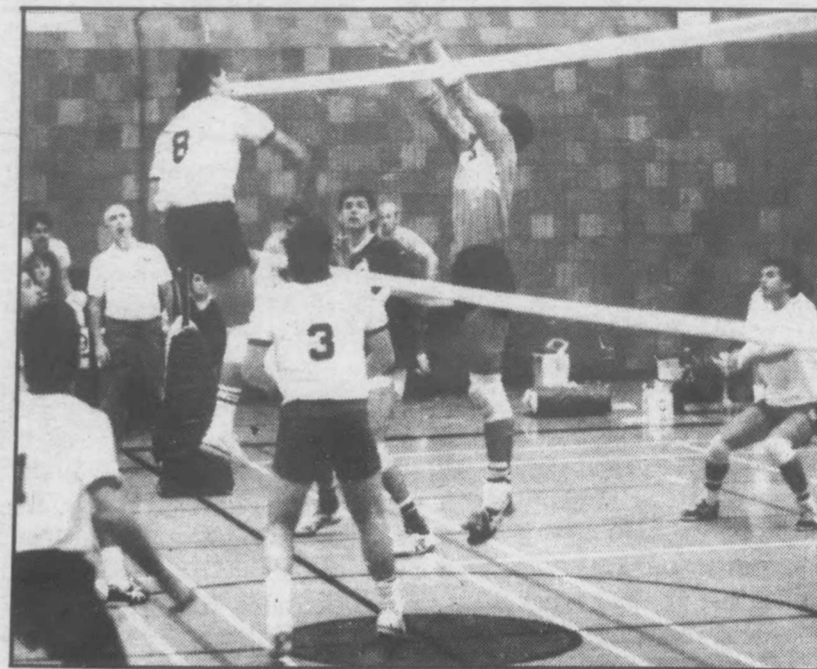

The Rebels had a slow start in the first game but bounced back quickly making short work of U de M. The Rebels displayed stronger executions of the plays and ran many one on one blocks to set up their kills. They had a quick running game which accounted for U de M only blocking with one player.

This weekend the UNB Rebels will host a league tournament. They hope to finish with a 2-1 record from the tournament. To do this, the team will require good

leadership from team captain Nathan Stairs. "Nathan is a mature and responsible person. He provides good leadership off the court," says Coach Paul Belanger.

Dalhousie, U de M, and Memorial will all be here this weekend for the league tournament. UNB will play their first match against #1 ranked Dalhousie. This will be a tough tournament for UNB because Dal is undefeated so far in the AUSA. Coach Belanger hopes to play consistent ball and keep improving as the season goes.

Games start Saturday in the main gym. Come out and support the Rebels.
