

"STUDENTS FIRST!"

"THE STUDENT MOVEMENT STARTS HERE!"

YFS Declaration of Student Rights

"We, the York Federation of Students are dedicated to the representation and support of the student movement at York University. We are a democratic, non-profit, service-organization committed to working towards a university environment wherein members of the Federation (all undergraduate students) can pursue academic excellence as well as personal and social growth free from all forms of discrimination and harassment.

"We are committed to universally accessible post-secondary education and reject all impediments to post-secondary education including, but not limited to, financial constraints through tuition fees, residence costs, streaming, and discrimination based upon gender, race, sexual orientation, class, religion, colour, ethnicity, nationality, geographical location, state of health or age.

"In our quest, we strive for the highest quality of post-secondary education available. We support student organizations, on and off campus, which promote our stated principles."

"UP YORK"

•Not just a datebook anymore. This is the student handbook that kicks ass and sends the senses reeling. Inside you'll find info on how your money is being (mis)spent, Government (under)funding, and the Administration's abuse of power. Plus, Aids Awareness and safe sex tips, updates on the Student Centre, Drug Awareness, Women's issues, clubs info, housing and more. All of this including the usual datebook. Grab it quick cause it's hip. It's happening. It's rocking the status quo. And it's hot off the presses in **early September**. Available at the office.

BOOKSTORE

•Cheaper than anywhere else. Discount books. Used books. It's a book buying bash **all September** in the far portable outside of Ross South. The clear cut, alternative choice for those on a budget and for those who love to save.

HEALTH CARE PLAN

•In a referendum last October, initiated by a response to student demand, students voted in favour of accepting a mandatory Health Care Plan. The plan, which begins September 1st, includes 100% covering cost of prescription drugs, including oral contraceptive. The mandatory fee of \$52.08 will be paid on top of your tuition fees, provided that you are enrolled in at least 3 courses. If you have any similar coverage (other than O.H.I.P.) than drop by our office to pick up an opt out form. The pay direct cards will be handed out at the office. Unfortunately, the cards will not be available until late October to mid November. Until then **KEEP YOUR RECIEPTS**. For more information call **David Taylor at 736-5324** or drop by the office.

ENVISION YORK

•A Coalition of groups and individuals dedicated to making York environmentally aware and friendly. It's goal is to find possible solutions and present them to the Administration in the hope for immediate action. The Coalition will launch the Environmental Awareness Week in November as a pilot project. Call **Mitch Blass, Vice President External**, for more information at **736-5324**.

YORK T.D. VISA CARDS

•York affiliated T.D. VISA cards are now available. Card holders will receive a reduced interest rate, no card holder fees for the first year, ready cash when you need it, and more. Support York University and YFS/FÉY apply now.

OFS/ CFS REFERENDUM

•Scheduled for October.
