being immediately a part of the Parry Island
reservoir, and ^{was} consequently under control of your
Department. I enclose their letter which will
explain this and in which I am advised to deal
with you. I also send you herewith ^{my} application
and affidavit filed with local Cor. & this will
take proper course or meet with the requirements
of your Dept in dealing with matters of this kind.
Kindly advise me, and furnish me with particulars
of form you wish, as there has been so much
delay in connection with this matter. The other
applicants for whom I am acting as well
as for my self, feel that I have not given it
the attention I should. I would therefore ask
you to kindly deal with at your earliest
possible convenience. Oobly

Yours truly
