of value in arriving at a solution of the problem that he has been set to solve.

Mr. Nystrom left for Europe several weeks ago, so that it is impossible to accept the kind invitation of Mr. McCook to visit the plant at Ogdensburg until he returns.

I have taken the liberty of making copies of Mr. McCook's letters to you, which I have sent to Dr. Haanel, Director of the Mines Branch, for his future guidance.

I return herewith Mr. McCook's letters.

Yours very truly,

Minister of Mines.
