

The Rt. Hon. A. Meighen 2/17/1926 - 2.

have every encouragement from him to come back in a few month's time when a better idea will be available as to what conditions in Red Lake are likely to be. With this in view, is it asking too much to ask you to look with a great deal of suspicion upon the bill mentioned in the advertisement and if you agree, we shall be grateful if our Party would object to it's passage through Parliament.

I understand that Mr. Heenan, M. P., will oppose the passage of the Bill on the ground that it serves no useful purpose in this District.

If the information I have given you is not sufficient, I shall be glad to supply any further details on request.

With kind regards,

Yours faithfully,

HACM/CP.
