December 28, 1936.

My dear Senator:

Mrs. Meighen will be writing you to thank you for the saalea, and now I must add another to my letters of gratitude.

The notation pad just received is the exactly right thing for an office and especially for me. Now you think of so many things bewilders me. Hope you had a better Christmas Season down there than we had. It rained here all day and rained continuously since until last night.

I am looking forward to seeing you at the Opening.

Most sincerely yours,

Hon. Senator W. H. Dennis,
Halifax, N. S.
