Ottawa, 8th February, 1911.

Sir,-

In reply to your letter of the 2nd instant, I beg to enclose herewith forms of application for commutation of interest money. These can be used by Mrs. Rebecca Smith, or other women in your Agency similarly situated, who desire to make application for commutation of interest. It is not necessary for the form of application to be sent in duplicate. The amount payable in each case is arrived at by multiplying by ten the amount paid at the last two distributions of interest, namely, the Spring and Fall of 1910. This rule of calculation is observed in all cases such as that above mentioned.

Your obedient servant,

Asst. Deputy and Secretary.
