Gentlemen:-

I have your letter of the 10th with regard to the balance of \$100.00 payable to Mrs. Bertram Fuller, nee Theresa Dean when she comes of age on the 23rd of March next.

Under the circumstances the Department is quite willing to allow this payment of \$100.00 to be made now, and under separate cover I am sending cheque to our Agent with instructions that it be handed to Mrs. Fuller.

Yours truly,
