400002-2

March 2, 1920.

Sir,-

I have your letter of the 24th in which you make application to have your loan increased by \$1000.00. I have sent a copy of your letter to the Agent, and would ask you to get in touch with him and discuss the matter. If Mr. Coyle considers that it would be possible for you to make a living as well as repay the loan, the Department will give the matter every consideration.

Your obedient servant,

Asst. Deputy and Secretary.

Mr. Norman Haregan,  
Alderville, Ont.
