

CONTENTS.

	PAGE.
Introductory	1
CHAPTER I.	
History of Graphite and description of its chemical and physical properties	3
History	3
Chemical and physical properties	4
CHAPTER II.	
Mode of occurrence and origin of Graphite	9
CHAPTER III.	
Composition and economic importance of Graphite ores	13
CHAPTER IV.	
Graphite in Canada	18
General	18
Types of deposits	19
Mining methods	21
Graphite mines and occurrences	22
Province of British Columbia	22
Province of New Brunswick	22
Province of Nova Scotia	24
Province of Ontario	25
Frontenac county	26
Township of Bedford	26
Haliburton county	26
Township of Cardiff	26
Township of Monmouth	27
Lanark county	28
Township of North Burgess	28
Township of North Elmsley	29
Renfrew county	35
Township of Brougham	35
Township of Lyndoch	39
Additional Graphite localities in Ontario	39
Lake of the Woods. (Carbonaceous schists)	41
Province of Quebec	42
Argenteuil county	44
Township of Grenville	44
Township of Wentworth	46
Labelle county	46
Township of Amherst	46
Township of Buckingham	48
Township of Lochaber	58
Hull county	58
Township of Low	58
Maniwaki Indian Reserve	60
Additional Graphite localities in Quebec	60
Baffin island	61
CHAPTER V.	
Concentrating and refining of Graphite	63
Plumbago	63
Amorphous Graphite	63
Flake Graphite	64
